REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Henry L. Sneed Middle School began its mission of educating young people in 1994. Since its inception, faculty and staff have continued their commitment to provide a balanced, well-rounded education which will prepare students to be successful in high school. This year we taught a record number of over 960 students to become responsible citizens and lifelong learners.

Sneed Middle School's teacher of the year for 2013-2014 is Rosemary Harris. Marie Matthews was Sneed's Support Staff Member of the Year. Both of these staff members make in difference in the lives of students in our school.

In the classroom, our teachers and students continue to exhibit a high level of excellence. Our standardized MAP and PASS test scores remain at a high level. We utilize the latest emerging technologies in our classrooms as we move deeper into the 21st century. Sneed students have excelled in academic and creative competitions.

Sneed Middle School is particularly proud of the participation of its faculty and students in various charitable efforts. Sneed students have provided food and other supplies through our Beta Club, House of Hope, Pennies for Patients and The Samaritans' Purse. Through such programs, our students and faculty learn about the true meaning of duty, service, patriotism and being part of something larger than one's self.

Our mission at Sneed Middle School is to provide our students with a broad-based learning environment with academic, social and charitable programs. Our goal is to send academically prepared and socially aware students to the next phase of their education and ultimately developing responsible and productive members of society.
