REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Muller Road Middle School's third year saw tremendous success. In the classroom, students continued to excel using individual iPads as their vehicle for demonstrating mastery of learning. iPads were used by students for researching to delve deeper into content areas and to create ways to show their learning using one of many different presentation apps. We continued to promote professional development focusing on project-based learning and Common Core State Standards. Teachers not only participated in but also led these sessions at the school-, district-, and state-levels.

Project-based learning became a major instructional focus. iBridge was created to help sixth grade students transition to middle school while introducing them to project-based learning, whereas seventh and eighth grade students could choose to enroll in C4, launching an extremely successful project-based learning school-within-a-school housed in one wing of our building.

Our students continue to participate in numerous extracurricular activities. Our music department had a successful year, bringing home multiple awards from a variety of performances at the local and regional levels. The department has been so successful that we are offering additional music courses for our students in the upcoming year to include steel drums and guitar. The athletic programs boasted successful years as well, earning District Champion recognition in volleyball, girls' basketball, and boys' soccer.

Outside the classroom, we continue to offer a variety of support systems for students. Teachers continue to hold regular tutoring sessions before and after school providing students with the additional instruction needed to achieve mastery. In addition to academic support, Bow Ties & Pearls and Girls Empowered were both implemented to inspire and to empower students to learn to respect themselves as well as others and to strive for success in all aspects of their lives. Muller Road also partnered with a local high school to provide high school mentors to our middle school students.

Teachers strive to meet the needs of all students. Through regular Big Ideas meetings, teachers discussed educational initiatives and developed ways to bring those to fruition with the goal of continuing to provide cutting-edge and innovative opportunities for all.

Muller Road continues to maintain an open-door policy with our community. Project-based learning has provided opportunities for many community members to become involved in the education of our students. Visitors included representatives from the Department of Natural Resources, the director of a local animal shelter, and even our town mayor. We also hosted the first Each One Reach One, an event in which each faculty and staff member invited a member of the community to the school to spend the morning visiting classrooms and touring the school.

At Muller Road Middle School we believe that all students should have the best opportunities to grow and sharpen their 21st Century skills. Please visit us and see the great things our students and faculty are doing each and every day.

Lori Marrero, Principal
