# South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

### WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

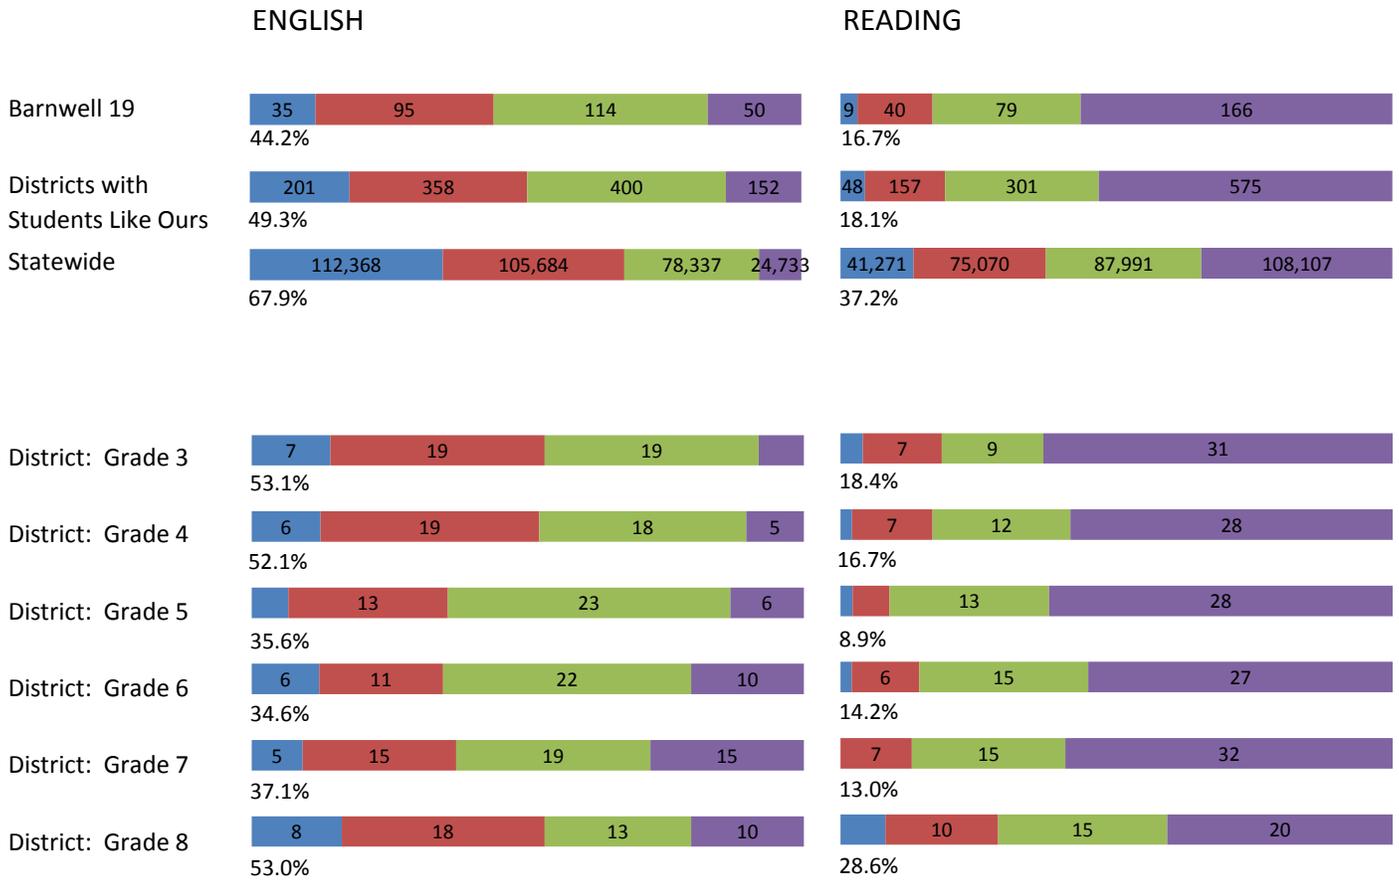

*Our district is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...*

We began the 2014-2015 with a theme that fit our need to adapt and move forward. There are constant changes in curriculum, programs, personnel, and expectations. But the constant changes in education keep us motivated to meet the changes and challenges with a focus on what is most important – our students. Throughout the year we were driven by a common theme “Embracing Change, Empowering Lives and Exceeding Expectations”. We closely monitored student achievement through varied assessments and carefully analyzed data in each of our schools. Data rooms in each school allowed teachers to have a daily visual awareness of how students were performing academically and areas of individual and group strengths and weaknesses. Our second year in the Teacher Advancement Program enabled us to have embedded professional development. The benefits of having master and mentor teachers working with staff has made a significant impact in helping to improve our overall instructional program. In addition we were able to have 75% of our staff participate in conferences, workshops and meetings. Barnwell #19 (Blackville- Hilda Public Schools) saw an increase in parental involvement and support. Community members and alumni have been encouraged to serve as volunteers or mentors. Parents and Leaders United for Success (PLUS), Parent Nights, Hawks’ Café, Awards Programs, Open House, Extracurricular Activities, Parent Conference Days and special programs throughout the year kept parents and community engaged. Team building and working together are values that we strive to instill in our students and the same values that help us to get results. We continue to focus on creating and sustaining a safe, productive, friendly environment where students, staff, parents and visitors enjoy learning and working. This positive environment is vital to achieving our goals and shaping the future of our students. We applaud the efforts of our team and their willingness to embrace change in changing times, empower students to reach success and exceed expectations. Through a united effort we push for the mark of excellence. Sincerely, Teresa L. Pope, Ph.D. Superintendent
