Cherokee County School District is helping our students to develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by ensuring that all students have the education necessary to succeed as responsible, productive citizens by providing excellent opportunities in academics, athletics, and the arts. Opportunities for World Class Knowledge are evident district-wide. Instruction in 2014-2015 focused on student engagement and effective use of technology. Six schools were recognized as Title One Reward Schools. Gaffney High was honored as a Beta Club School of Distinction for the second consecutive year and Blacksburg High was recognized as a Bronze level school by US News and World Report. Three seventh grade students qualified for state recognition from Duke TIP and 23 eighth grade students earned Junior Scholar status. The class of 2015 earned over fifteen million dollars in scholarships and included five Palmetto Fellows and 374 Life Scholarship recipients. World Class Skills are also taught and practiced throughout Cherokee County School District. Instruction that focuses on collaboration, research and technology is found in all classrooms. Our 1:1 technology initiative begins at the high school level in August, 2015. The Gaffney High School AFJROTC unit received the Distinguished Unit Award for 2014-2015 from the United States Air Force for the thirteenth consecutive year. Teams of students from Cherokee Technology Center earned state honors in Archery and state and national honors in HVAC. The Gaffney High School JV Percussion Ensemble was selected as the 2015 South Carolina Winter Ensemble State Champion. Alma Elementary and Blacksburg Middle First Lego League teams advanced to state competition which shows evidence of collaboration and problem solving. Students receive experience in Life and Career Characteristics throughout the year. The World Class Scholars program links our students with students around the world to develop a global perspective. The First Tee program in our elementary schools stresses the value of integrity and perseverance. Four members of the Class of 2015 were recognized for twelve years of perfect attendance showing a high level of self-direction and work ethic. We appreciate the effort, assistance, and support from all staff and the community in making 2014-2015 a very successful school year.
