

Nevitt Forest Community School of Innovation

1401 Bolt Drive
Anderson, SC 29621

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	K-5 Elementary	Principal:	Robin S. Gay
Enrollment:	516 students	Superintendent:	Thomas A. Wilson
School Phone:	864-260-5190	Board Chair:	Rick Bradshaw
School Website:	http://www.anderson5.net/Domain/14		

Profile of the SC Graduate

- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

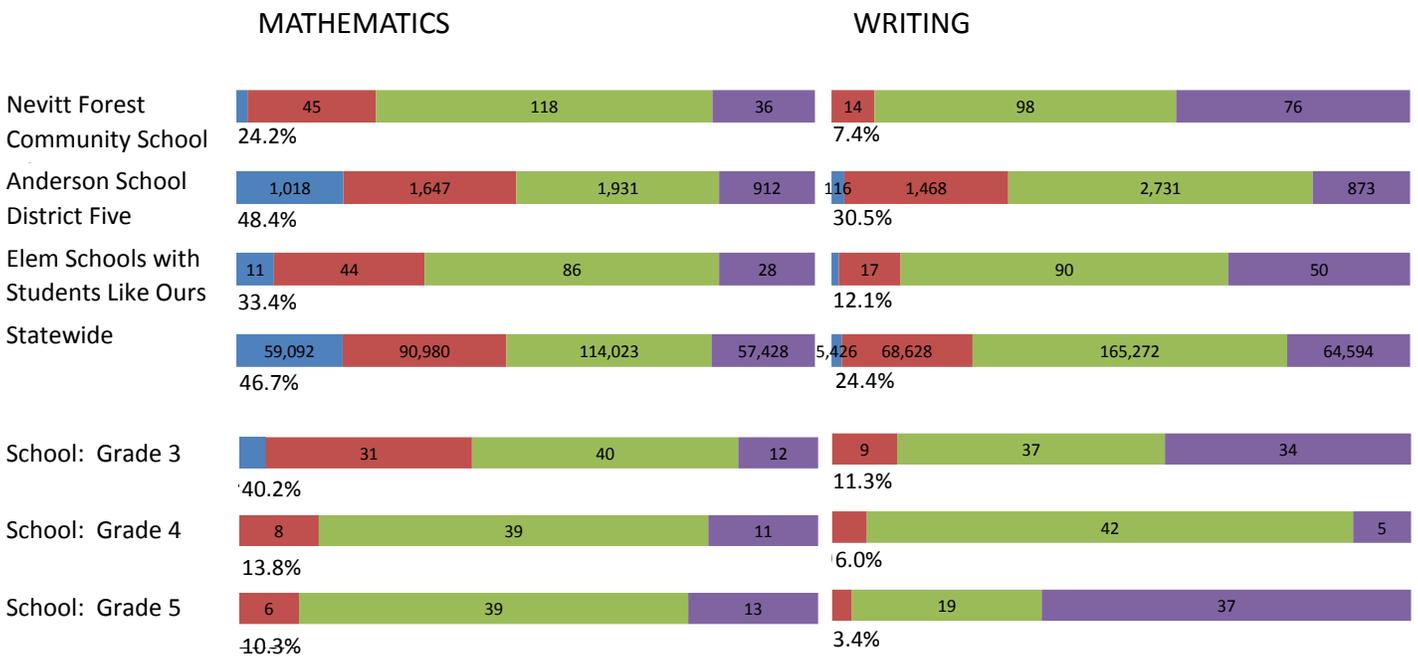

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Nevitt Forest Community School of Innovation is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by providing a highly qualified staff focused on supporting students' development of academic and social skills critical for future success. Nevitt Forest maintains high standards of instruction by hiring highly qualified teachers who demonstrate a positive impact on student achievement. Teams of educators work in collaboration to design learning opportunities which are engaging and rigorous thus providing a strong academic foundation for each student. Because of the diverse nature of the student population, the staff works collaboratively to establish a welcoming learning environment for students, parents, and community partners. To also support students in developing strong work ethic and social skills, Nevitt Forest promotes a positive learning environment through the Positive Behavior Intervention and Support Program (PBIS). The school community challenges the students, parents, faculty, and staff to think and perform at high levels of achievement and exhibit positive behavior and character traits. Using the SOAR model, students are recognized for demonstrating these positive behavior expectations: Stay safe, On-task behavior, Act responsibly, Respect yourself and others. Expectations are displayed throughout the school and achievement of these behaviors are celebrated with school-wide celebrations each month. To further enhance the school experience and extend interest opportunities for all students, Nevitt Forest provides many programs which allow students to explore and extend their learning through after school programs such as the Running Club, Art Club, Step Team, Chorus, and the Good News Club. In an effort to encourage continuing education and preparation for current and future education and work place requirements, technology is infused throughout the education setting. Classrooms are supplied with state-of-the-art equipment, such as Smart Boards, laptops, sets of iPads and iPods, document cameras, LCD projectors, web-based programs and more. A technology coach provides technology instruction to both teachers and students by partnering with teachers in classrooms to enhance learning and providing technology instruction to all students in both Dell and MAC computer labs.

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
