South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Mary Bramlett Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a healthy, safe, caring, and academically challenging learning environment. We provide such an environment through the implementation of our school vision: a school that is "To develop a change process to prepare students for the 21st century." We demonstrate this by challenging our students with best practices, collaborating with parents and stakeholders, and providing professional development of our teachers, principals and all other staff members. Our change process is moving from traditional practices to more rigorous, relevant, modern, and effective strategies and resources to use in the classroom such as: nonfiction literacy, research, collaborative and personalized learning, divergent thinking, project-based learning, Lego robotics, Leveled Literacy Intervention, Response-to-Intervention, advanced technology, and STEM. We utilize Math and Reading interventionists to assist our teacher as they implement the new South Carolina Standards.

At Mary Bramlett Elementary we also have various programs and activities outside the academic world to focus on the development of the whole child. Our mentoring and advisory group programs provide opportunities for our students to learn soft skills, leadership skills, and life skills that will lift them to higher education and the workforce. We have written and implemented a fresh fruit grant and updated the playground equipment to build healthy bodies as well as minds. This year we continued to use the Positive Behavior Interventions and Support (PBIS) program. This program rewards our students for displaying positive behaviors. We celebrate these behaviors with our students every nine weeks. We also continued our partnership with the Boys and Girls Club, First-Tee, Know (2), Habitat for Humanity, and Midway Baptist Church for "Back Pack Food Buddy" distribution. Our students also participate in giving back to the community. They took part in a food drive for Harbor of Hope, donations for Relay for Life and Jump Rope for Heart, and a children's charity program, Pennies for Patients. At Mary Bramlett Elementary we believe the school, family, and community must share the common vision and we thank all who have supported us in helping with the development of our future South Carolina graduates and world leaders! Ms. Stacy Camp, Chair of the School Improvement Council Mrs. Audrey McClary, Principal
