

McLaurin Elementary

1400 McMillan Lane

Florence, SC 29161

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	PK-4 Elementary	Principal:	Deborah Cribb
Enrollment:	833 students	Superintendent:	Dr. Randy Bridges
School Phone:	843-664-8457	Board Chair:	S. Porter Stewart
School Website:	https://www.fsd1.org/schools/mclaurin/Pages/default.aspx		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

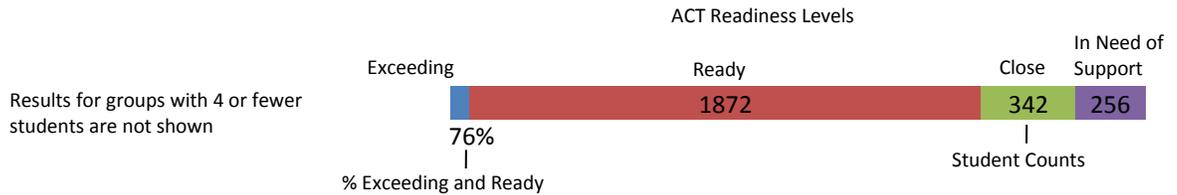

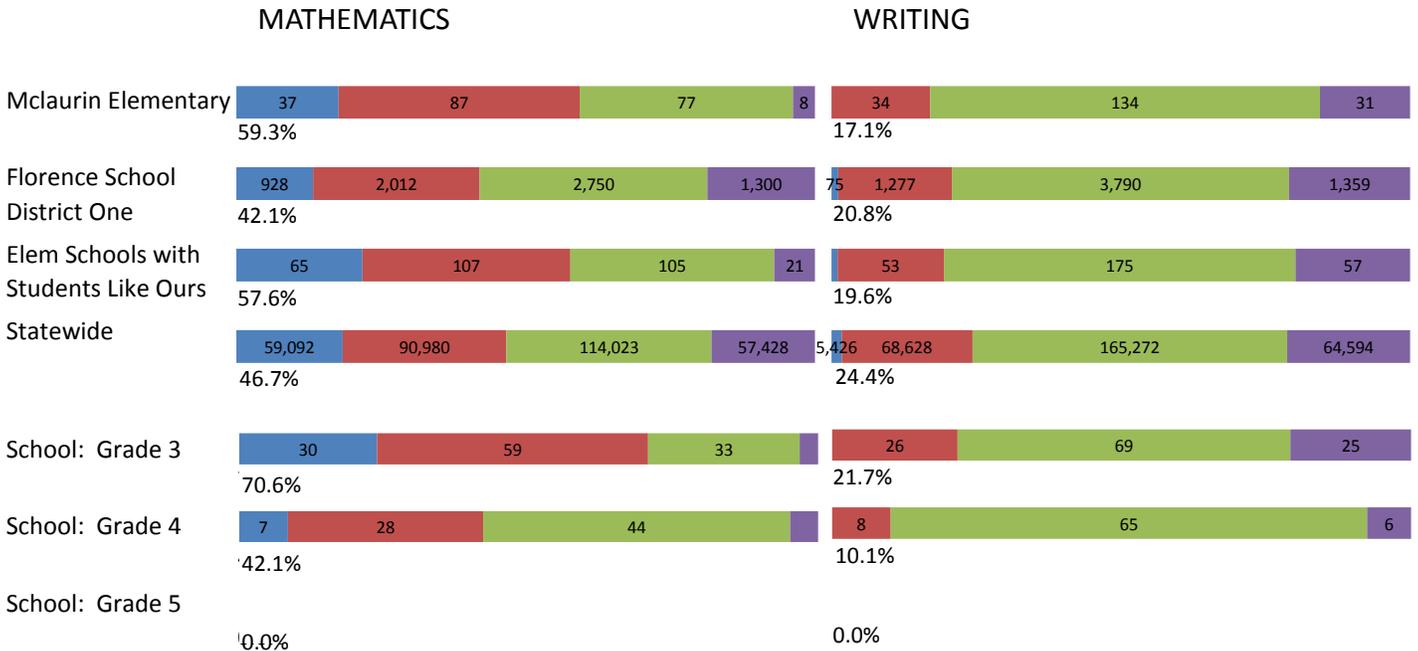

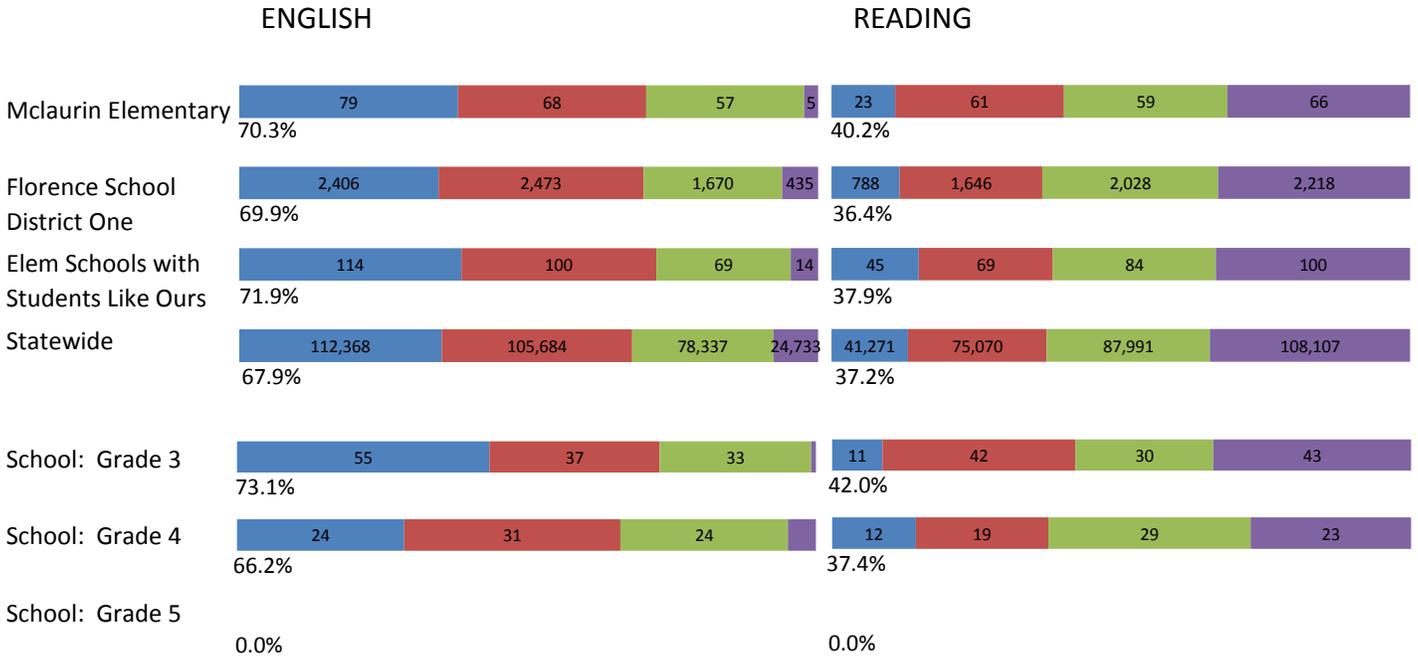

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing each student with experiences that focus on academics as well as work skills with a strong emphasis on character. In order to achieve the profile, our teachers model and allow time for individual exploration of the skills presented to our children. We want our students to know specific information, but how to solve problems, work together, and to have the life skills necessary to be successful in life. We strive for all students to become independent learners. Creativity and collaboration are essential elements in our instruction each day. Students are given many opportunities to work together to create projects and find solutions to problems. We believe our students are best served by a balance between academics, the arts, physical education and character education. Our instruction is enhanced by the use of computers, iPads, SmartBoards, wireless access and Smart Response systems. McLaurin serves students in both Montessori and traditional classes. Both programs provide rigorous academic standards for our students. Our teachers use small group instruction to meet the diverse needs of our children. Data driven instruction is used to ensure that every child is provided with the instruction they need to move forward. In addition to a strong core academic component, our students also receive instruction in physical education, art, music and technology. All students/staff at McLaurin participate in a walking program. Other extra-curricular offerings for students include, chorus, violin, dance, art club, Horizons, REACH, PEARLS, and the OWT Boys. Our PEARLS and the OWT Boys are clubs that focus on the life and career characteristics. Our students and staff participated in several service projects during the school year. We held a successful food drive for the Salvation Army. We were also involved in projects supporting research of childhood cancer, a local camp for students with special needs, and an autism research program. At McLaurin everyone is expected to learn and grow. This year our teachers were involved in extensive professional development in best practices in instruction, understanding and planning using data and exploring student learning objectives. We believe that having teachers working together to learn and grow models for our students what we expect of them. Together the McLaurin family will continue to strive for excellence with every child, every day!

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
