South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Maryville Elementary School (MES) serves students in grades Pre-K through fifth and has a population of about 515 students. At MES, we are committed to providing a safe, conducive environment where all children can learn and reach their highest degree of academic success. Our mission is to work hand-in-hand with parents, community, and stakeholders to develop critical thinkers and life-long learners with 21st Century skills that will meet the demands of being college and career ready. ☑The learning community at MES continues to provide challenging and engaging learning tasks where students become active problem-solvers in each of the content areas. Focus groups, small-group instruction, academic tutoring and reading camps are utilized in order to meet the needs of our children in varying academic levels and from diverse populations. As teachers continue to use research-based practices and assessments in classrooms, students are continuing to make progress. Data is collected from common assessments, benchmarks, DIBELS, MAP, i-Ready, and PASS to monitor students' progress so that informed, instructional decisions are made based on the individual needs of the student. ☑Academic success is priority for all of our students. They are celebrated during the Academic Awards Program each semester, Superintendent's Honor Roll Program, C.B. Dobson Awards Program, Writer's Wall of Fame, Principal's Art Gallery and the Superintendent's Art Awards Program. Students also participate in musical programs throughout the school year. Special Olympics is always a highlight for our students that are able to participate each year. All second graders are afforded the opportunity to participate in Y-Splash and all fourth graders are able to participate in character building through First-Tee Golf. Both programs are sponsor-funded for the school district. ☑Spring Fling is one of the largest events that our PTO sponsors. It has proven to be a success for the past two years. PTO continues to provide outstanding assistance and support to our teachers, students and the school through fundraising and other projects throughout the year. ☑It is our belief at MES that collaboration of home, school and community will encourage students to believe in themselves, excel in performance, and to succeed in life. Each day, we work as a team to fulfill this goal. Thank you for your continued support while working hand-in-hand for the future! Mrs. Stephanie Stuckey, Principal Mr. Clay Cook, School Improvement Council (SIC) Chairperson
