

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

## WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Hampton Elementary School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging environment. We provide such an environment through the implementation of our school vision: moving ALL students forward. We demonstrate this vision by challenging our students through best practices to reach their full potential and by the continuous professional development of our teachers. Our teachers are always seeking to learn new and effective strategies to use in the classroom through evidenced based initiatives such as: Teacher Advancement Program (TAP), Math Science Partnership Grant through STEM, READ2Succeed, and High Progress Literacy. These initiatives provide ongoing embedded professional development and guidance by a support team that includes master/mentor teachers and a reading coach to help transform students to become world class citizens. Teachers focus on rigorous standards that emphasize critical thinking and problem solving, collaboration and teamwork, communication and technology, and the knowledge of how to learn. At HES we also have various programs outside the academic world to focus on the development of the whole child. We provide monthly incentives such as dodge ball, kickball and dances to reward our students for displaying positive behaviors. We integrate the arts into our curriculum by providing various drama productions throughout the year with the partnership of the Baillie Players and our afterschool chorus and drama club and hosting the Carolina Coastal Theater Group. In addition to our chorus and drama club we have approximately 25 band students from the 6th grade. Our guidance counselor initiated an afterschool HES Boys Club that focused on enhancing academics and life and career characteristics such as integrity, self-direction, perseverance, work ethic, interpersonal skills, with an emphasis on civic and community leadership. These students participated in various community projects such as Adopt a Highway, a food drive, and enhancements to the school. We inducted 50 new members into the Junior Beta club bringing our total to 75 members. At Hampton Elementary School we believe the school, family, and community must share the educational responsibility of our students. Continuous communication is essential. We utilize Facebook, School website, Power Alert, Newsletters, Remind, and Parent Portal so that parents are informed and partners in their child's success.
