

Myrtle Beach Elementary School

620 29th Avenue North

Myrtle Beach, SC 29577

South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	2-3 Elementary	Principal:	Michelle Greene-Graham
Enrollment:	727 students	Superintendent:	Dr. Rick Maxey
School Phone:	843-448-1774	Board Chair:	Joe DeFeo
School Website:	http://mbe.horrycountyschools.net/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

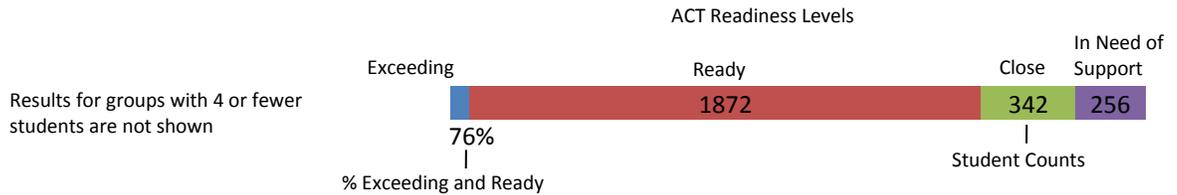

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by enhancing their learning experience through a rigorous and engaging curriculum as well as character development through our Covey Leadership initiative. Academically, Myrtle Beach Elementary cultivates 21st century skill skills through our digital initiative. Students at MBE are provided learning opportunities through interactive digital content which include Compass Learning, Achieve 3000, Raz-Kids, participation in the technology fair and project based learning in collaborative learning clusters. MBE strives to embrace world class skills through student led learning which embraces the various learning styles that grow independent student learners. Myrtle Beach Elementary implements the Leader in Me leadership model. MBE is currently the 36th school in the world to achieve "Lighthouse" status through the Covey Leadership initiative. The Leader in Me integrates principles of leadership into our school curriculum. This leadership initiative reinforces our social and emotional mission of assuring that each student becomes life-long learners and leaders. MBE has a school-wide focus on life-skills and lifelong guidelines, guidance activities, No Tolerance for Bullying, PBIS, and Covey's 7 Habits. Civic responsibility is also fostered in our learning community through participation in March of Dimes, Relay for Life, Salvation Army canned food drive, service learning projects through Covey clubs, World Family Night to acknowledge our diverse learning environment, and Special Olympics – Polar Plunge. The success of any school requires the support of the local community, an involved School Improvement Council, active PTO, volunteers and other local business partners. MBE has been fortunate to have all the above. The receiving of the Reading First Grant has aided in our mission to continue to provide opportunities for our students to grow throughout the year by providing reading materials for our summer reading program. The culmination of the professional skills and the sustenance we receive assists our students in becoming the responsible members of society by being life-long learners and leaders. Jim Creel Jr., SIC Chairman Michelle Greene-Graham, Principal

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
