South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Nursery Road Elementary School (NRES) is committed to creating an educational environment that will ensure our students' success in school and in life. We understand that the knowledge, skills, and competencies acquired now will be the foundation for future learning.

World Class Knowledge -This year, NRES continued to excel academically and was recognized as one of the top 25 elementary schools in South Carolina by "Best Public Schools" (niche.com). We have a superior cadre of teachers who are totally dedicated to student success and use a rigorous and relevant curriculum that ensures our students exceed established standards. As a result, we saw tremendous improvement in our students' Measure of Academic Progress (MAP) scores from fall to spring. Two of our Champions were recognized for perfect scores on SC PASS in ELA and Math. Our Champions increased their fluency in Math operations by solving more than 2,400,000 facts on Reflex Math. Students have meaningful and authentic learning experiences as a part of our world languages, visual, and performing arts curriculum.

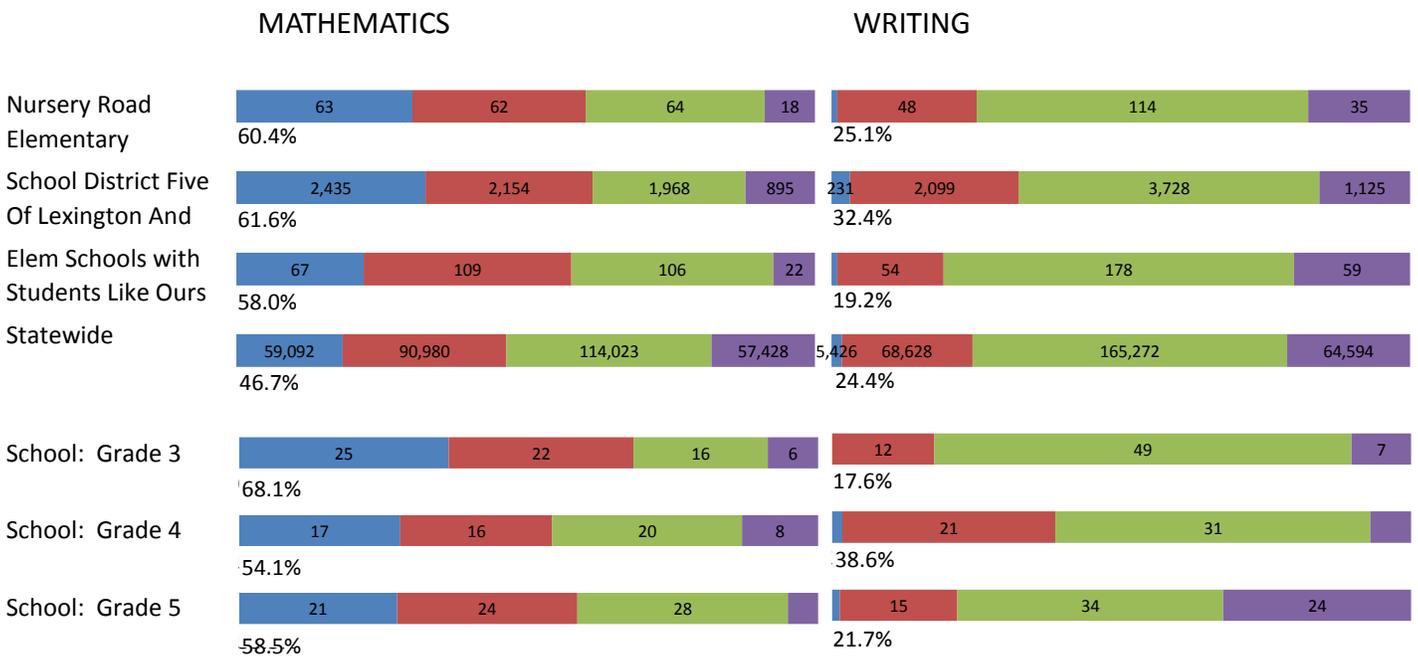

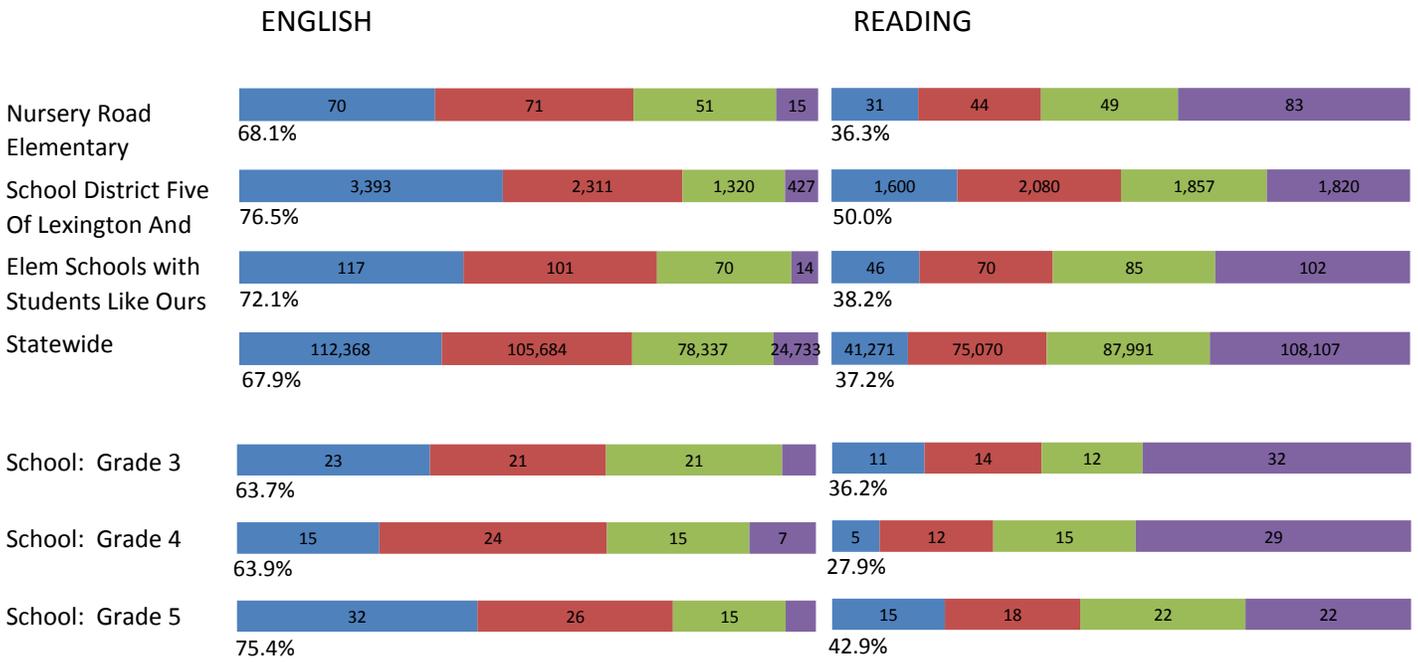

World Class Skills-At NRES, our focus is to help students become creators, communicators, critical thinkers, and collaborators using the most advanced technology. Our Student Government Association created student-friendly expectations for use and care of our Chromebooks for students in grades 3-5. Students in grades K-2 used iPads as an interactive tool for reading instruction. Our WNRE News Crew began our mornings with celebrations and current news. 100% of our student body brought our social studies standards to life on stage in our Winter and Spring Performances.

Life and Career Characteristics - At NRES our goal is also to provide our students with experiences and programs of study that will help make them good citizens. We know that characteristics taught in school will carry over to their college and career successes. Our monthly Heart Act to Follow and quarterly Principal's Pinning ceremonies recognized students for showing outstanding character traits and achievement. Our Run Hard Team showed character and perseverance on the track during their 5K run with other local teams. Our G.O.L.D. (Goal Oriented Leadership Development) Team gave their personal best by leading service projects that benefited our school community. All of our Champions know that giving their personal best each day is a skill that will help them excel now and later in life.
