South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing all students with the instructional resources to help them achieve at their highest academic levels. Our faculty and staff focused on each child's particular learning needs and our parents and community members provide assistance in many areas of our school. Lockett Elementary students have become more involved in computer assisted instruction through programs like Study Island, Compass, and IXL. Study Island and Compass provide students with access from home or school in the areas of reading, math, science, and social studies. IXL is a web-based program that provides students with activities to challenge their critical thinking skills. Study Island and Compass are aligned with the State Standards to add more rigor to instruction and help our students to be more career and college ready. Response to Intervention (RtI) efforts includes the use of Voyager, V-Math, and Leveled Literacy Intervention (LLI) for targeted students. Students in grades 3 – 6 were provided tablets to assist in their learning and instruction. Parents, students, and community members participated in our Fall Festival, student performances, Grandparent's Day activities, Red Ribbon Week, Veteran's Day activities, Award's Day programs, Field Day, Careers on Wheels, Black History Emphasis, Read to Succeed, and many other special events. The challenges to overcome in meeting our student achievement goals are decreased funding levels, larger class sizes, and limited instructional personnel to assist with interventions. However, parents, teachers, and community members will strive to provide the best instruction possible based on each student's individual needs. Robert Eubanks, Principal Jennifer Wimberly, School Improvement Council Chairperson
