

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Grades:	K-5 Elementary	Principal:	Meredith Rose
Enrollment:	434 students	Superintendent:	Dr. Russell W. Booker
School Phone:	864-594-4430	Board Chair:	Rick L. Gray
School Website:	http://boyd.spartanburg7.org/		

Profile of the SC Graduate

World Class Knowledge

- Rigorous standards in language arts and math for career and college readiness
- Multiple languages, science, technology, engineering, mathematics (STEM), arts and social sciences*

World Class Skills

- Creativity and innovation
- Critical thinking and problem solving
- Collaboration and teamwork
- Communication, information, media and technology
- Knowing how to learn

Life and Career Characteristics

- Integrity
- Self-direction
- Global perspective
- Perseverance
- Work ethic
- Interpersonal skills

WORLD CLASS SKILLS & LIFE AND CAREER CHARACTERISTICS

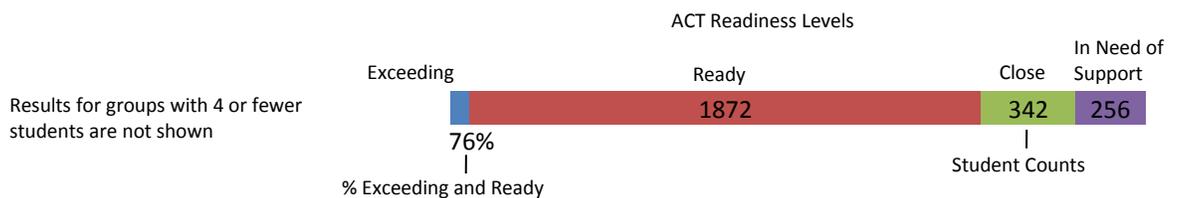

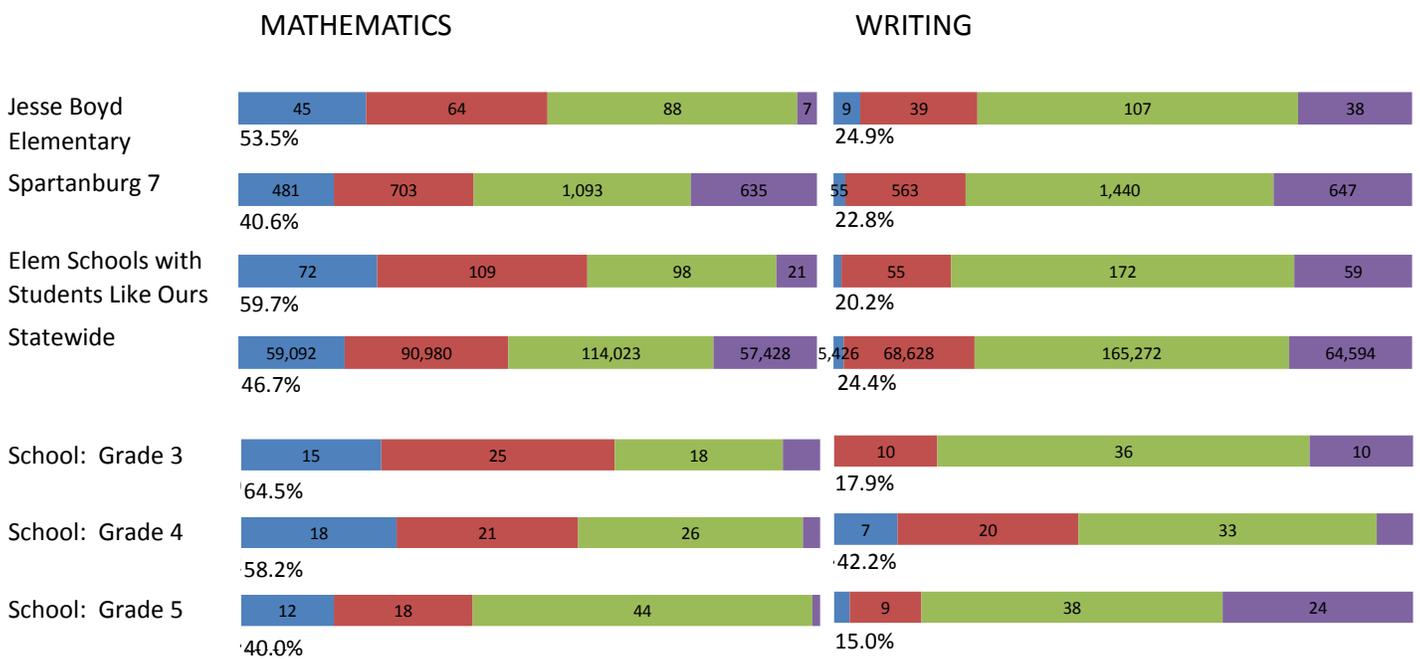

Our school is helping all students develop the world class skills and life and career characteristics of the Profile of the Graduate by ...

Jesse Boyd Elementary makes it our mission to educate young people to be lifelong learners and productive community members through a challenging and supportive environment promoting academic excellence, confidence and creativity. JBE continued to strive in our quest to offer every child, every chance to succeed. In doing so the students develop world class knowledge and skills as well as life and career characteristics which are part of the profile of the SC graduate. JBE is fully authorized to offer International Baccalaureate enabling our students to acquire world class knowledge. After reevaluation this year and were certified for another 5 years to offer IB curriculum is structured in purposeful inquiry engaging students actively in learning. The rigorous teaching and learning that occurs is built with collaborative effort from our teachers. The curriculum supports students' efforts in obtaining global knowledge in all content areas with transdisciplinary teaching helping students construct meaning by drawing on their prior knowledge providing provocation through new experiences and providing opportunities for reflection. Our students have excelled academically earning an Excellent rating. We prepare students to become active, caring, lifelong learners who demonstrate respect for themselves and others and have the capacity to participate anywhere by building their world class skills. Our curriculum respects students' developing ideas about how the world works and encourages them to question and refine their understanding of the world. In doing so our teachers use an inquiry based model of teaching ELA using science, math, and social studies. Teachers nurture independence, critical thinking, and creativity. We know learning is social and our students spend time working with peers to build communication, problem solving, and team skills. Students have access to technology in their classrooms with computers and smart boards as well as I-pads used for instruction, communication, and learning. We are unapologetic in assisting students to take action based on learning. Wrapped in our teachings is the IB learner profile. These characteristics, which mirror great leaders, are taught in literature, science and history as well as related classes and through our numerous school programs. Our students are caring world citizens who have initiated projects to help others. Helping our children understand that they can be the change they want to see in this world is at the heart of what we do and will continue to do at JBE. Meredith Rose, Principal Rebecca Parrish, SIC Chair

* 21st Century core courses in Social Sciences include History, Geography, Economics, Government and Civics.

KNOWLEDGE

The ACT Aspire assessment was given to students in grades 3-8 in Spring 2015. Students were assessed in the subject areas of Reading, English, Mathematics and Writing
