Great Falls High School (GFH) is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe environment where all students feel welcome and are challenged to do their best in all that they do. Great Falls High School has "Great Students, Great Teachers, and is a Great Place to Grow," which echoes Chester County School District's motto, "A Great Place to Grow, committed to excellence for all students."

GFH has embedded "Pride" and "Flex time" into their daily schedule for students and teachers to devote their time to the 3R's: Recovery, Redo, and Reteach. Also, the teachers at GFH are continually striving to learn and apply new strategies that foster the growth of world class knowledge. Each day, teachers implement the district 1-to-1 hiTEC initiative with fidelity. This invaluable technology provides students with a multitude of resources and possibilities, as well as puts global perspectives at their fingertips.

Students at GFH are involved in innumerable activities that help develop and support world class skills and life and career characteristics. These activities include involvement in the World Class Scholars Program, the Youth Apprenticeship Program, the S.W.A.T program, multiple opportunities for dual-credit course offerings, completion of Senior Projects that have a service-learning requirement, marching band, JROTC, Beta Club, and much more.

Great Falls High School strives to provide students with an education that prepares them with world class knowledge and skills, infused with life and career characteristics. The success of the students is always the top priority and with the help of the parents, community members, and business leaders, we will continue to realize growth and success of all of our students at Great Falls High School.
