

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Kingstree Senior High School is located in the small rural town of Kingstree, South Carolina. The mission of Kingstree Senior High School and its stakeholders is to provide every student with a challenging curriculum, highly qualified teachers, and a safe and healthy learning environment. The purpose of Kingstree Senior High's mission is to maximize students' growth and development so that they can become productive citizens in a global society. Kingstree Senior High continues to maintain an absolute rating of average on the Annual School Report Card with a slight drop in the growth rating to below average in 2014. Our HSAP passage rate for 2014 was improved from 83.6 % to 84.2%. Kingstree Senior High offers twelve career clusters. The school also fosters parent and community support to meet continuous school improvement efforts. Kingstree Senior High is a comprehensive high school that continues to improve student achievement by partnering with Williamsburg Technical College to offer dual credits, which are courses that could be used towards college credits. The school also offers our students shadowing of business leaders in the community, transiting opportunities, and an after school program and summer program sponsored through the State Department of Education 21st Century Program. The 21st Century Program is designed to help students transition from the high school to college and the workforce, provide acceleration and remediation opportunities, increase students' attendance, and improve students' academic achievement. Kingstree Senior High also offers a summer program through Gear-Up. Gear-Up is a program which is designed to help students transition into high school and provide Credit Recovery to recover courses so students will have the opportunity to graduate on time. Kingstree Senior High increased the number of scholarships money provide for students from approximately \$600,000.00 to \$1,000,000.00. As a result, a senior at Kingstree Senior High was the recipient of the Safe Federal Credit Union Scholarship. Another senior won the South Carolina State Fair Scholarship. These accomplishments were among many other student achievements. Also, a teacher at Kingstree Senior High was selected as the First Year District Teacher of the Year. Establishing full parental and community involvement has continued to be a challenge for our school. This is due to our inability to establish a fully operational PTSA and SIC. Kingstree Senior High has a committed staff that works diligently to meet the needs of our students. We would also like to acknowledge and thank our students that were motivated to learn and achieve in an effort to improve our school. We are also grateful to the parents and community leaders who showed their continued support. Mr. Alex Gordon, Principal Ms. Norma Cyrus, School Improvement Chair
