South Carolina State Report Card

State and federal laws require public schools to release report cards to the public each year. This year, the report card has been updated to reflect changes in reporting directed by the SC Education Oversight Committee. Schools will not be rated for state accountability purposes until Fall 2017 when the state will transition to a single accountability system. The following reports student performance in school year 2014-15.

Johnsonville Middle School is helping all students develop the world class skills and life and career characteristics of the Profile of the South Carolina Graduate by providing a safe, caring, and academically challenging environment that is conducive to all students maximizing their learning potential. Our school provides such an environment through the implementation of our school motto: "Build it up – We have the tools." We exhibit this motto through the efforts of our teachers and students. Teachers continuously strive to stay abreast of current trends and best practices through attending various trainings and workshops. By using the current trends, best practices and having high expectations, students are challenged to reach their full academic potential. We are proud of our strong history of academic success. Our teachers are constantly looking for ways to improve professionally thus improving instruction and student learning. We have incorporated various programs to help with the challenges that students face in today's society. Some of the programs are: Moby Max, Accelerated Reader, Reading Coach, Stem consultant, and ACE classes. At Johnsonville Middle School, we offer various programs outside of the classroom environment to help our students develop into well rounded individuals. JMS has two very active student groups on campus. Our Jr. Beta Club (JBC) provides qualified students the opportunities to take part in various service projects as well as participate in the many activities offered students that take part in the JBC State and National Conventions. Students elected to the student council also take part in various service projects that help the school and organizations in the community. Other activities that afford students the opportunities to participate are: Jr. Crusaders, Fellowship of Christian Athletes, Rock Band, Drama Club and the Academic Challenge Team. The All Star Program is provided to our sixth grade student to help them deal with character issues and making correct choices. JMS offers students the opportunity to take part in the athletic programs once they reach the seventh grade. Programs offered are: football, basketball, cheerleading, baseball, volleyball, track, and softball. At JMS we believe it is the responsibility of all stakeholders to take an active role in the education of our young people. Thank you for your continued support and effort to help mold the future graduates and leaders of our community, state and nation. Mrs. Donna Gaye Tanner, School Improvement Council Chairperson Mr. Randy Willis, Principal
