Special Notes:

[1]The scheduled QDC 3 data certification/collection has been moved to Monday, April 20, 2026 to align with the 135 Day Funding Report collection.

- Ensure all data to be sent to SCDE publish successfully from PowerSchool to Ed-Fi by Monday, April 20, 2026 at 7:00 p.m.

[2]The QDC 4 Data and Students Not Tested certification /collections have been moved to Sunday, June 14, 2026.

- Publish all data and disable your PowerSchool-to-Ed-Fi profile before starting any end of year rollover processing (e.g., promoting students to the next grade level).

- Ensure all staff revising 2025-2026 accountability-related data are made aware of timelines for publishing final data.

- Ensure all data to be sent to SCDE publish successfully from PowerSchool to Ed-Fi by Sunday, June 14, 2026 at 7:00 p.m.

It is recommended that districts finalize their data submissions and turn off their Ed-Fi profiles for the 25-26 school year **several days prior to the June 14 deadline** to avoid any last-minute issues.

135 Day Funding Report and QDC3 Data Collection - Has been combined into one Data Collection/Certification date - Data must be published by Monday, April 20, 2026 @7:00
