DEPARTMENT OF EDUCATION**

STATE SUPERINTENDENT OF EDUCATION

**Annual Report on Missed School Days for
Academic Year 2016–17**

South Carolina Legislature
Pursuant to §59-1-425
June 30, 2017

The South Carolina Department of Education does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, veteran status, or disability in admission to, treatment in, or employment in its programs and activities. Inquiries regarding the nondiscrimination policies should be made to the Employee Relations Manager, 1429 Senate Street, Columbia, South Carolina 29201, 803-734-8781. For further information on federal non-discrimination regulations, including Title IX, contact the Assistant Secretary for Civil Rights at OCR.DC@ed.gov or call 1-800-421-3481.

Pursuant to S.C. Code of Laws §59-1-425 (Supp. 2015), all districts must set aside three days in the annual academic calendar to be used as make-up days. The first three days missed due to snow, extreme weather, or other disruptions, must be made-up. If more than three days are missed, the local school board of trustees, by a majority vote, may waive no more than three days. The local school board of trustees may prefer to make up missed days and can do so by lengthening the school day by no less than one hour or by operating on a Saturday. The State Board of Education (SBE) has the authority to waive three additional make-up days beyond the three forgiven by the local school district upon request.

The law also states that the South Carolina Department of Education annually, before July 1, must provide the General Assembly with a detailed report of information from each district listing the number of days missed and the reason, regardless of whether any were missed; days made-up; and days waived. The attached is the final compilation of weather reports from South Carolina school districts for the 2016–17 school year. Statewide 125 days were waived by local boards or the SBE and 5 days were excused by Joint Resolution.
