- A budget for program year twelve, beginning on July 1, 2018; and
- Proposed performance levels for 2018-19.

We have no related State Plan revisions to submit for the South Carolina Five-Year Plan at this time. Please feel free to contact Maria Swygert (803-734-8456) or me for any additional information.

Sincerely,

A handwritten signature in cursive script that reads "David M. Mathis".
