

**STATE OF SOUTH CAROLINA
DEPARTMENT OF EDUCATION**

MOLLY M. SPEARMAN
STATE SUPERINTENDENT OF EDUCATION

January 30, 2015

Dear Members of the South Carolina General Assembly:

The attached document, which contains the school-related crime information for each school in each district, serves as the required report for **S.C. Code Ann., Section 59-63-330. Quarterly and annual reports**, which states,

On forms prepared and supplied by the State Department of Education, each school district in the State shall report school-related crime quarterly to the State Department of Education. The department shall compile the information received from the districts and annually, not later than January thirty-first of the year following the districts' final quarterly reports of the school year; make a report to the General Assembly on the findings. In addition, the State Department of Education shall, upon receipt, forward all information concerning school-related crime to the Attorney General's Office. This information shall be used by the Attorney General in the supervision of the prosecution of school crime.

Based on the 2013–14 school-related crime information received from each district via the Incident Management fields in PowerSchool, the state's student information system, no school in the state is considered Persistently Dangerous based on the Guidelines for the Unsafe School Choice Option developed under the No Child Left Behind Act of 2001, Title IX, Part E, Subpart 2, Section 9532 (accessible at <http://ed.sc.gov/agency/programs-services/106/documents/UnsafeSchoolChoiceOption.pdf>). However, based on the data submitted via PowerSchool, Colleton County High School in the Colleton County School District will be classified as "at risk of becoming persistently dangerous" in accordance with the Guidelines. According to a representative from the high school, several incidents were coded incorrectly, which caused the school to receive the "at-risk" designation. Staff members from the Department of Education are investigating this matter and will update the school's status if it is determined that coding errors were made.

Should you have any questions in this regard, please contact Emily Heatwole, Director, Office of Legislative Affairs, at 803-734-4066 or via e-mail at ehewole@ed.sc.gov.
