

**STATE OF SOUTH CAROLINA
DEPARTMENT OF EDUCATION**

MOLLY M. SPEARMAN
STATE SUPERINTENDENT OF EDUCATION

January 29, 2016

Dear Members of the South Carolina General Assembly:

The attached document, which contains the school-related crime information for each school in each district, serves as the required report for **S.C. Code Ann., Section 59-63-330. Quarterly and annual reports**, which states,

On forms prepared and supplied by the State Department of Education, each school district in the State shall report school-related crime quarterly to the State Department of Education. The department shall compile the information received from the districts and annually, not later than January thirty-first of the year following the districts' final quarterly reports of the school year; make a report to the General Assembly on the findings. In addition, the State Department of Education shall, upon receipt, forward all information concerning school-related crime to the Attorney General's Office. This information shall be used by the Attorney General in the supervision of the prosecution of school crime.

Based on the 2014–15 school-related crime information received from each district via the Incident Management fields in PowerSchool, the state's student information system, no school in the state is considered persistently dangerous or at-risk of being persistently dangerous based on the Guidelines for the Unsafe School Choice Option developed under the No Child Left Behind Act of 2001, Title IX, Part E, Subpart 2, Section 9532 (accessible at).
