

School Climate - Teacher Survey Results

Scoring Methodology:

Numerator:

Number of submitted surveys by teachers who qualify for the denominator.

Denominator:

Number of teachers who: have SCEducator position codes of 3, 4, 5, 6, 7, 8, 9, 10, 11, 17, 18 or 23; a start date of no later than the 45th day; and are FTE of ≥ 0.5 .

Data Source and Validations:

- Districts cannot see Report Card School Climate Survey responses in PowerSchool, but two tools are available to assist districts with monitoring Teacher and Student Survey participation within PowerSchool. These two reports, Students Climate Survey Response Report and Teacher Climate Survey Response Report, have been designed specifically for SCDE School Climate Surveys. All fields in both reports are sortable.
