

Student Progress - SC READY

Scoring Methodology:

Numerator:

Rating Points earned for each subject (i.e., ELA and Math) based on the percentage of growth records for that subject in which the student met or exceeded their AVT and Rating Points earned for each subject (i.e., ELA and Math) based on target attainment (i.e., the degree to which the student's vertical scale score, or VSS, for the subject meets or exceeds their individualized AVT and/or MAT for a given student growth record for that subject).

Denominator:

Students in grades 4 through 8 who are continuously enrolled at the current school from the 45th day of the school year through the first day of testing, with no break in enrollment, and who have an SC READY score in the same subject area (English Language Arts and/or Mathematics) from both the current school year and the previous school year (regardless of the school at which the previous test score was obtained) are included in the calculation this indicator for the school in that subject. Excluded: Recently arrived Multilingual Learners (MLs) who were not initially English proficient and whose date of entry into United States schools is less than 12 months prior to their date tested for the current school year are excluded from this indicator.

Data Sources and Validations:

- Ensure that students are enrolled or removed before the First Day of Testing extraction.
- Ensure stateid is clean for any assessment results imported into EdFi.
- Ensure student is clearly marked as 'Students Not Tested on State Assessments' in PowerSchool ((PowerSchool->Compliance->Students Not Tested on State Assessments) (In 'Add Test' select their 'Reason for Not Testing' as either 001 - Homebound/Homebased (Medical), 002 - Medical Absence, 003 - Deceased Student, 006 - Dropout, or 019 - Student already tested (High School Assessment) and click the checkbox for 'Requested Exclusion (documentation to SCDE required)').
- Student may also be excluded via program name = RTF-3FD, RTF-4FF, GHO-3FD, GHO-4FF, LJD or LAD.

Progress Monitoring:

- GPS (Growing Pathways for Our Students) Dashboard to check
