

State Agency Template
Community Eligibility Provision (CEP) Annual Notification of Local Educational Agencies (LEA)

State agency: South Carolina Department of Education

Instructions:

- In columns 1-3, enter the LEA ID, LEA name, and district wide identified student percentage (ISP) for every LEA with at least one eligible school.
- An "X" will appear in the appropriate column 4 or 5 to indicate that the LEA is eligible or near-eligible to participate in CEP. Only one column should be marked between columns 4-5.
- Follow the instructions in row 7 to complete columns 6-11.
- An "A" will appear in column 12 if all the schools in the LEA in column 2 are participating in CEP (the # of schools entered in columns 8 and 10 should match).
- An "S" will appear in column 13 if one or some schools in the LEA in column 2 are participating in CEP (the # of schools entered in column 10 is less than the # of schools entered in column 8).
- Provide additional comments or clarifications in column 14.
- Submit completed template to cep@scde.state.sc.us, by May 1 to publish the list of LEAs receiving CEP eligibility notices on your website. This information will be linked to FNC* CEP web site. LEAs receiving notices for district-wide eligibility must be reported in the columns below.

			COLUMN 4 & 5 AUTOMATICALLY POPULATE (Only One Column Should Be Marked per LEA)				INFORMATION FOR ENTIRE LEA ONLY		INFORMATION FOR PARTICIPATING CEP SCHOOLS ONLY		FOR LEAs PARTICIPATING IN CEP IN AT LEAST ONE SCHOOL (Columns 12 & 13 Automatically Populate - Only One Column Should Be Marked per LEA)			
1	2	3	4	5	6	7	8	9	10	11	12	13	14	
LEA ID	LEA name	District-wide Identified Student Percentage (ISP)	Eligible to Participate District-wide	Near Eligible to Participate District-wide	Currently Participating in CEP	Participating and Eligible for a Grace Year	Total Number of Schools in Participating, Eligible, and Near-Eligible LEAs	Total Student Enrollment in Participating and Eligible LEAs	Total Number of CEP Schools in the LEA	Total Student Enrollment at CEP Schools	Currently Participating in CEP District-wide	Currently Participating in CEP in One or Some Schools (Not District-wide)	Comments	
Enter the LEA ID, as reported on the FNC-742, for each LEA with at least one CEP-eligible school.	Enter the name of each LEA, as reported on the FNC-742, with at least one CEP-eligible school.	Enter the district-wide ISP as of April 1 of the current year. ISP = # of identified students divided by total enrollment. Enter the ISP as a percentage rounded to two decimals. Ex: 62.50% If using the FNC-742 to complete this column, note that data reported in Section 3 of the FNC-742 (Students approved at free eligible not subject to verification) does not include that corresponding data for students in CEP schools or non-base year Special Provision schools. For a more accurate count of the # of identified students at the LEA level, States are encouraged to combine the total # of students reported in Section 3 of the FNC-742 for the LEA plus the LEA-level data submitted for inclusion in Data Element 8 of the State-level FNC-834 (The # of SNAP children in CEP schools and non-base-year Special Provision schools).	An "X" will appear in this column if the LEA in column 2 is nearly eligible to participate in CEP. (ISP in column 3 is >=40% and <60%).	An "X" will appear in this column if the LEA in column 2 is currently participating in CEP. (ISP in column 3 is >=60% and <80%).	Place an "X" in this column if the LEA in column 2 is currently participating in CEP or eligible to participate (there is an "X" in column 4 or 5, or 6).	Place an "X" in this column if the LEA in column 2 is currently participating in CEP or eligible to participate (there is an "X" in column 4 or 5, or 6).	If the LEA in column 2 is currently participating in CEP or eligible to participate (there is an "X" in column 4 or 5, or 6), enter the total # of schools in the LEA. A yellow cell in this column indicates missing data. Enter the total # of CEP schools to clear the cell color.	Total Student Enrollment in Participating and Eligible LEAs A yellow cell in this column indicates missing data. Enter the total # of CEP schools to clear the cell color.	If the LEA in column 2 is currently participating in CEP (there is an "X" in column 6), enter the total # of students enrolled at CEP schools. For any participating LEA, if the # of CEP schools entered in column 8 is greater than the total # of schools entered in column 10, this will result in an error in columns 12 and 13 until corrected. A yellow cell in this column indicates missing data. Enter the total # of CEP schools to clear the cell color.	If the LEA in column 2 is currently participating in CEP (there is an "X" in column 6), enter the total # of students enrolled in all CEP schools entered in column 10. A yellow cell in this column indicates missing data. Enter the total # of CEP schools to clear the cell color.	An "X" will appear in this column if ALL schools in the LEA in column 2 are participating in CEP. If the LEA in column 2 is participating in CEP district-wide, then the # of schools entered in column 8 should match the # of CEP schools entered in column 10.	An "S" will appear in this column if ONE or SOME, but not all, schools in the the LEA in column 2 are participating in CEP. If the LEA in column 2 is participating in CEP in one or some schools, then the # of schools entered in column 8 should be more than the # of CEP schools entered in column 10.		
DO NOT INCLUDE THE 1.6 MULTIPLIER														
An ISP greater than 100.00% will result in an error and the cell will be highlighted red until corrected. Yellow cells will clear once data is entered.
