Dear Ms. Reiss:

As a participant in the National School Lunch Program and its related initiatives, every school food authority (i.e., school district, private school, charter school, or residential child care institution) is subject to periodic reviews to ensure compliance with state and federal requirements.

Attached is the summary report for the Administrative Review (AR) of your Child Nutrition Program (CNP) that was conducted by Tonza Thomas on February 13, 2017. The findings of the review (to include a Corrective Action Plan, if applicable) were discussed with Reginald Clement during an exit conference.

The South Carolina Department of Education (SCDE) is required to conduct an AR of every school food authority (SFA) at least once every three (3) years, pursuant to regulations and policy guidelines promulgated by the United States Department of Agriculture (USDA) (7-CFR-210.18 (c)), South Carolina Code of Laws (59-1-310 and 43-168), and the Program Agreement executed between an SFA and the SCDE.

The mission of the SCDE in conducting an AR is to showcase the quality and importance of local child nutrition programs; measure compliance with state and federal requirements; and identify opportunities for improvement. At the federal level, the AR process measures general program compliance with specific emphasis on:

- *Free and Reduced Price Meal Benefits Certification;*
- *Meal Access and Reimbursement;*
- *Resource Management;*
- *Nutritional Integrity of Meals and All Other Foods Sold in Schools; and*
- *Other Related Federal Programs.*

In addition to an evaluation of key SFA administrative processes and records for the review month of September 2016, Pinckney Elementary School was selected to receive an onsite visitation based on specific selection criteria.

We appreciate all of the assistance our staff received during the AR process. If you have any questions or concerns, please contact Ms. Thomas at (803) 734-8204 or tthomas@ed.sc.gov.

Sincerely,
