	S9482	**Family Support**				

All MCOs require a prior authorization for continued services and Psychological Testing and Evaluation.

All services must meet medical necessity criteria to justify services. Risk Factors may interfere with the ability to function in daily living, personal relationships, school and recreational settings that assist in determining medical necessity for services or the need for an additional assessment.

To Re-Authorize Community Support Services, the child must meet all the following medical necessity criteria.

☐ The desired outcome(s) of services has not been met.

☐The family /caregiver/guardian is engaged in the treatment process.

☐ The child is at risk for out-of-home-placement.

Justification for Authorization: (Identify and describe specific symptoms). Complete all Sections Below.

Date of onset of Symptoms:	Duration of Symptoms:

Describe symptoms or issues:

List previous Objective(s)	**Outcome /Progress / Achievement of the Objective(s)**
