

## SCPCSD Charter Application Preschool Addendum

**Note:** Complete this form only if you are *applying to the SCPCSD* and plan to serve *preschool* at some point during the life of your 10-year charter. If this applies to you, *please add preschool to your Student Projections Enrollment Form*.

1. Please identify which preschool grades you wish to serve at any point in the life of your 10-year charter:  
☐ 2K  
☐ 3K  
☐ 4K
2. Which year do you intend to add preschool? \_\_\_\_\_
3. Please identify how many preschool classrooms you intend to have in total, and the number of classrooms in each age band (2K, 3K, 4K).  
2K  
  
3K  
  
4K
4. Please identify how many students per preschool classroom, as well as the student to teacher ratio in each preschool classroom.
5. Please identify the funding stream that will be used for preschool:  
☐ EIA  
☐ Parent Pay  
☐ First Steps/Private-CERDEP
6. What is the purpose of serving preschool ages within your school?
7. Please provide evidence of an identified community need to service preschool ages within your school.

8. Outline your enrollment procedures for preschool.
  - a. How does this differ from your current K-12 lottery and enrollment process?
  - b. Please be sure to include the policy for preschool students matriculating into kindergarten. Note: Parent Pay and private students are not allowed to matriculate into Kindergarten without going through the lottery.
9. Please identify the following academic decisions:
  - a. Curriculum
  - b. Assessment
  - c. Capacity for serving the preschool population
10. How will you service special populations for each age band?
  - a. Special Education
  - b. Suspected Multi-lingual Learners

c. Section 504 Eligible

11. Please describe how you will facilitate the transition of special education students in 3K from BabyNet eligibility, and 4K into your primary school if enrolled.

12. Please provide your procedures for conducting Child Find.

13. Do you already have DSS approval to service preschool ages within your school?

a. If so, please provide documentation of such.

b. If not, please outline the steps you have already taken to attain DSS licensure and the remaining steps that must be taken prior to attaining DSS licensure.

14. I assure that each PreK educator will hold a valid SC Certificate. Initial \_\_\_\_\_

15. I assure that each preschool classroom will be equipped with a proper paraprofessional. Initial \_\_\_\_\_

16. Describe the process for separation of funds between your preschool and the higher grades to be served at the school:
