

AMENDMENT TO MEMORANDUM OF UNDERSTANDING BY AND BETWEEN

AND
THE SOUTH CAROLINA OFFICE OF REGULATORY STAFF

In accordance with Act 142, authorizing the expenditure of federal funds disbursed to the State in the Coronavirus Aid, Relief, and Economic Security Act (CARES) via the Coronavirus Relief Fund, this document shall serve as an Amendment to the Memorandum of Understanding (MOU) between _____ (School District, Private School, Special School, Charter School, or Private College, University, or Technical College also referred to herein as “Participant”) and the South Carolina Office of Regulatory Staff (“ORS”).

All other terms of the MOU remain unchanged except as to item 3 below:

By signing this MOU, you certify the following:

1. The cost of mobile hotspots and/or related internet service was not accounted for by Participant’s budget most recently approved as of March 27, 2020.
2. The hotspot is necessary as a result of public health emergency caused by COVID-19.
3. Only one device/monthly internet service per qualifying student *HOUSEHOLD* will be distributed EXCEPT where multiple students live in a qualifying student *HOUSEHOLD* and online learning is diminished without additional hot spots being provided. If wired internet service is available, consideration will be given as to whether wired internet service would be superior to the option of adding additional hot spots.
4. Devices and monthly internet services being provided are not duplicative, meaning the household does not already have internet service.
5. You have the authority to certify and submit this MOU on behalf of the Participant.

IN WITNESS WHEREOF, signatories hereunder warrant and declare that they are duly authorized to execute this Amendment to the MOU by virtue of their position and title and are signing on behalf of their respective entity by virtue and strength thereof.
