

Universal Design in Virtual Learning:

Effective Strategies to Reach a
Diverse Student Population
Through Online Instruction

- Do you teach students who have an IEP or 504 Plan?**
- Are you struggling to meet a variety of student academic and support needs?**
- Did you know that ALL students have a mode of learning that best meets their unique needs?**

Join us as we host staff from the National Center for Applied Technology (CAST) for this FREE 3- part live webinar series to learn more about how you can easily provide instruction and support that will meet **ALL** student needs!

Session 1: UDL & Remote Learning (part 1)	May 12 @ 10am
Session 2: UDL & Remote Learning (part 2)	May 14 @ 10am
Session 3: Accessible Materials	May 19 @ 10am
