Inquiries regarding the nondiscrimination policies should be made to the Employee Relations Manager, 1429 Senate Street, Columbia, South Carolina 29201, 803-734-8781. **Annual Report on Missed School Days for Academic Year 2020–21**

Pursuant to S.C. Code of Laws § 59-1-425 (Supp. 2015), all districts must set aside three days in the annual academic calendar to be used as make-up days. The first three days missed due to snow, extreme weather, or other disruptions must be made-up. If more than three days are missed, the local school board of trustees, by a majority vote, may waive no more than three days. The local school board of trustees may prefer to make up missed days and can do so by lengthening the school day by no less than one hour or by operating on a Saturday. The State Board of Education (SBE) has the authority to waive three additional make-up days beyond the three forgiven by the local school district upon request.

The law also states that the South Carolina Department of Education annually, before July 1, must provide the General Assembly with a detailed report of information from each district listing the (1) number of days missed and the reason, regardless of whether any days were missed, (2) days made-up, and (3) number of days waived.

Below is the report of missed school days for South Carolina school districts for the 2020–21 school year.
