

## COMPREHENSIVE NEEDS ASSESSMENT DATA

*Per State Board of Education (SBE) Regulation 43-261:(A)(6)(a), the annual needs assessment will provide focus for planning teams to set priorities for the plan. The comprehensive needs assessment must identify targeted areas of discrepancy between the desired performance levels and the current status as indicated by available data.* Any discrepancies in the following areas identified by the school and district report cards must be included in the plan: (1) achievement, (2) achievement by subgroups, (3) graduation rates, (4) attendance, (5) discipline, (6) teacher/administrator quality and professional growth, and (7) other priority areas.

**Directions:** Provide all relevant needs assessment data, including both formative and summative assessments, used to gauge student learning, teacher and administrator quality, and school climate. Needs assessment data should not be limited to State Report Card data. Districts and schools must use other relevant data not found in the State Report Card. Data may be represented in the form of charts, graphs, etc.

Provide the link to your district or school's most recent State Report Card:

Provide additional data not included in the report card:
