

South Carolina Department of Education Office of Student Intervention Services 2016–17 Individual Graduation Plan (IGP) Conference Data Summary

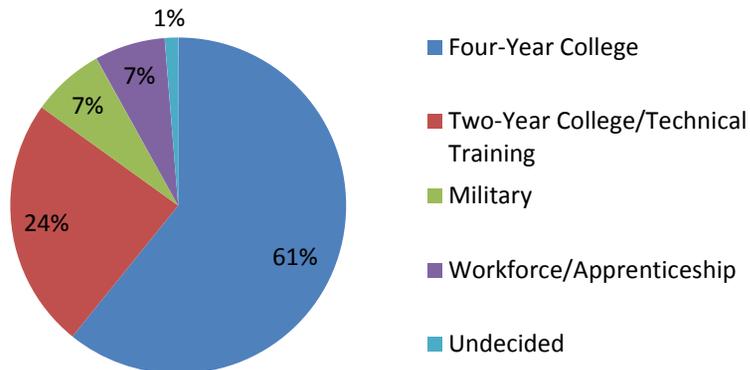

Completed IGPs by Grade Level
Statewide IGP Total = 264,527

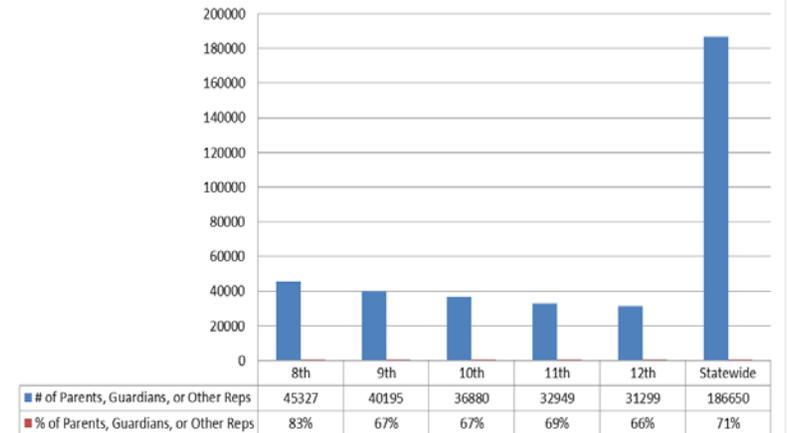

**Percent of Students with IGPs
by Grade Level**

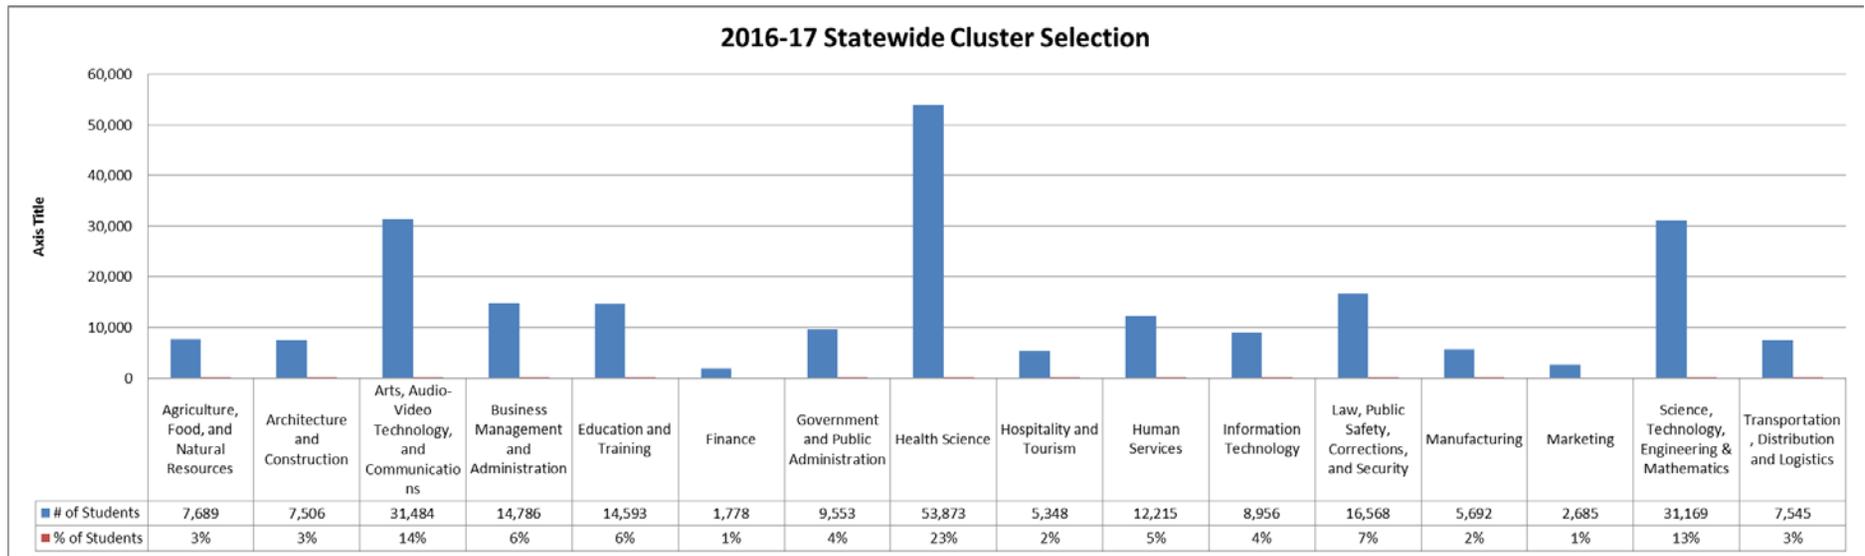

Postsecondary Plans

**Number and Percentage of Students Accompanied by a
Parent, Guardian, or Other Representative Participation**

The Completed IGP information provided above is based on data included in the 264,527 locked and primary IGPs submitted to the SCDE via PowerSchool in June 2017. Although information from the Greenville County School District was provided via an alternate format, it is included in the information above.

The Cluster Selection, Postsecondary Plans, and Parental Involvement information is based on data retrieved from Enrich Central (a system which generates reports from the SCDE's data repository).
