## NOTICE

The activity/course codes specified in this document are detailed in the [South Carolina Department of Education Activity Coding System for Student Information Systems \(SIS\) 2018-19](#), which is issued by the Office of Federal and State Accountability. Please note that any changes in course titles or codes, including the deactivation or creation of course titles and codes, are indicated in aqua type in the coding manual.

The following three South Carolina Department of Education (SCDE) documents that contain course titles and codes will be updated and reissued each year: *Activity Coding System for SIS*, [CATE Student Reporting Procedures](#), and *Required Credentials for Professional Staff Members in the Instructional Programs of South Carolina’s Public Schools*.

Modifications to the acceptable areas of certification and to the mandatory attendant training requirements that appear in this document are reviewed and approved by the SCDE with input from the field each year.

## Introduction

The purpose of *Required Credentials for Professional Staff Members in the Instructional Programs of South Carolina's Public Schools* is to provide districts a listing of the acceptable credentials for educators working in various settings and roles.

Regardless of whether a specific position is listed in this document, all professional instructional staff must hold valid South Carolina educator certificates.

Organization	<i>Required Credentials</i> is organized by the settings and roles in which an educator may be employed. The document begins with district office leadership and administrative positions followed by school-based leadership and administrative positions. Sections detailing the required credentials for teachers are arranged either by subject area or grade level.
Text Indicated in Red	Text marked in <b>red font</b> reflects course additions, deletions, or changes for 2018-19 based on the Activity Coding System. Any changes in required credentials for a course are also indicated in <b>red</b> and have been included to provide clarification or to give districts greater flexibility.
Certification Code	If the acceptable credential for a role or course is a certification area only, the certification field and code are listed.
Certification Code plus mandatory attendant training (Certification Code +)	If the acceptable credential for a role or course is a certification field plus mandatory attendant training, the certification field and code are listed followed by a + sign. The additional requirement(s) will be specified.
No Specific Certification or No Code (NC)	If the acceptable credential for a role or course is not a specific certification area, the code <b>NC</b> is indicated, meaning that the assigned individual may be certified in any area.
No Specific Certification or No Code plus mandatory attendant training (NC+)	If the acceptable credential for a role or course is not a specific certification area but does require mandatory attendant training, <b>NC+</b> will be listed. The additional requirement(s) will be specified.
Certification Codes no longer issued (*)	Certification areas that are no longer issued are marked by an asterisk (*). Educators with these fields on a valid certificate may continue to be assigned to the roles and courses listed in the document.

Credit-bearing Courses	All credit-bearing courses are listed in the Grades 9–12 section of this document. Credit-bearing courses carry the same activity codes if taught in Grades 7 and 8.
Unlisted Credit-bearing Courses	A credit-bearing course that is not listed in the Grades 9–12 section of this document is either a locally designed elective course approved by the local board of trustees or a locally designed subject-area course approved by the SCDE. The required credentials for teachers of locally designed elective courses are determined by the local board of trustees.
Advanced Fine Arts	Effective with the 2018-19 school year, the certificate of an educator certified in Advanced Fine Arts now indicates the specific area of the fine arts for which the educator is qualified (e.g., Advanced Fine Arts – Music, Dance, Theater, or Art).
Proviso 1.70 First Grade and Middle Level Staffing	For the 2018-19 school year, <a href="#">Proviso 1.70</a> allows educators certified in a high school content area to teach the same content area in seventh or eighth grade without adding Middle Level certification. Additionally, the proviso allows teachers certified in Elementary Education to teach first grade without adding Early Childhood certification.
Charter Schools	The certification requirements included in this document apply to teachers and administrators employed in public charter schools except as provided for in <a href="#">charter school statute and regulations</a> .
Retired Certification Fields	Based on certification and employment data, the following retired certification fields have been removed as acceptable credentials: Typing, Shorthand, Secretarial Science, and Accounting.

**DISTRICT ADMINISTRATORS**

<b>REQUIRED CREDENTIALS</b>		
<b>District Level Staff Members Required to Hold a Master's Degree</b>		
State Board of Education Regulation 43-205 <i>Administrative and Professional Personnel Qualifications, Duties, and Workloads</i> (amended effective May 26, 2017) requires that district-level administrative personnel employed as administrative assistants, supervisors, and consultants <b>having responsibilities for supervising instructional programs and student services</b> must hold a master's degree and be certified in their area of primary responsibility or be eligible for a certification permit in the area and meet annual permit renewal requirements toward adding the certification field in full.		
<b>Position</b>	<b>Cert. Code</b>	<b>Acceptable Certification</b>
Area/County/District Superintendent	70	Superintendent
Deputy/Assistant/Associate Superintendent	7B 7D 7C 7E 70 71 73 72 74	Elementary Principal Tier I Elementary Principal Tier II Secondary Principal Tier I Secondary Principal Tier II Superintendent Elementary Principal* Elementary Supervisor* Secondary Principal* Secondary Supervisor*
