## Required Pedagogy Assessments for Teacher Certification

The following pedagogy assessments are approved for certification in classroom teaching fields in the state of South Carolina. Candidates seeking certification in service fields (i.e., School Counselor, School Psychologist, School Librarian, and Speech-Language Pathologist) or in leadership fields are not required to take a pedagogy assessment.

### Standard Pedagogy Assessment: Praxis Principles of Learning and Teaching (PLT)

Most candidates seeking initial teacher certification in South Carolina will use the Praxis PLT to demonstrate knowledge of pedagogy. If an educator preparation program requires PPAT or edTPA as part of the student teaching experience, a candidate may use that performance assessment to meet the requirement of a pedagogy exam.

**Note: The PLT must align with the grade span of the intended certification field as indicated below. Educators seeking certification in the PK–12 fields of Art, Music, Theater, Dance, Health, Physical Education, ESOL, World Languages, or Special Education must select the PLT for PK–12.**

Certification Grade/Age Span	Exam Code	Exam Title	Qualifying Score
<b>Early Childhood Certification Fields</b> <i>Early Childhood Education, Montessori Education Early Childhood (3K-5K), Special Education: Early Childhood</i>	5621	<b>PLT: Early Childhood</b>	157
<b>Elementary Certification Fields</b> <i>Elementary Education, Montessori Elementary I &amp; II</i>	5622	<b>PLT: Grades K–6</b>	160
<b>Middle Level Certification Fields</b> <i>ML Language Arts, ML Mathematics, ML Science, ML Social Studies, Montessori Middle Areas</i>	5623	<b>PLT: Grades 5–9</b>	160
<b>High School Certification Fields</b> <i>All high school subject areas</i>	5624	<b>PLT: Grades 7–12</b>	157
<b>PK–12 Certification Fields</b> <i>Art, Music, Theater, Dance, Health, Physical Education, ESOL, World Languages, Special Education</i>	5625	<b>PLT: PreK–12</b>	157

### Other Approved Pedagogy Assessments: Praxis PPAT and edTPA

Effective January 1, 2018, the State Board adopted the teaching performance assessments, edTPA and PPAT, as options for South Carolina’s educator preparation providers to implement within approved teacher preparation programs. These assessments are comprised of a series of performance tasks that candidates must complete as part of a portfolio that is submitted to the respective testing company for scoring. Candidates who are required to complete one of these performance assessments during student teaching to fulfill requirements of the preparation program in which they are enrolled may use

a qualifying score on edTPA or PPAT for certification in South Carolina. Out-of-state applicants who completed edTPA or PPAT during student teaching may also use a qualifying score on one of these assessments for certification in South Carolina in lieu of the PLT.

**Praxis PPAT (Administered by ETS) ETS will discontinue PPAT effective December 31, 2025.**

Candidates enrolled in teacher preparation programs requiring PPAT will receive comprehensive support and assistance from program faculty regarding the performance tasks that comprise PPAT.

Assessment	Qualifying Score
PPAT All Areas	36

**edTPA (Administered by Pearson Evaluation Systems)**

Candidates enrolled in teacher preparation programs requiring edTPA will receive comprehensive support and assistance from program faculty regarding the portfolio assessment or handbook required for their specific certification area (e.g. Early Childhood Education, Mathematics, etc.). Qualifying scores are based on the number of performance tasks or rubrics within the specific handbook.

Assessment	Qualifying Score
edTPA 13-Rubric Handbooks	32
edTPA 15-Rubric Handbooks	37
edTPA 18-Rubric Handbooks	44
