SECTION I: Statement of Assurances

By submitting this assurances form, and unless otherwise noted, the EPP agrees to implement the ADEPT requirements listed below. Additionally, the EPP agrees to maintain supporting documentation verifying that the institution has met these requirements and to make this documentation available at the request of the South Carolina Department of Education (SCDE) or during an onsite visit.

- **Assurance #1: ADEPT Performance Standards/SCTS 4.0 Domains.** The EPP will integrate the SCTS 4.0 Domains throughout each candidate's course work, field experiences, and clinical practice so that candidates understand and are able to apply these standards.
- **Assurance #2: Clinical Practice (Student Teaching).** Prior to the beginning of the clinical practice—the capstone ADEPT experience—the EPP will provide candidates with a comprehensive orientation to the practicum so that the candidates understand what they have to do in order to achieve success. At a minimum, the orientation will include both oral and written explanations of the assistance and evaluation processes, the ADEPT-related expectations, the *Standards of Conduct for South Carolina Educators*, and the EPP's requirements for successful completion of the clinical practice. Additionally, the EPP will design and implement the clinical practice according to all applicable policy guidelines to ensure that candidates receive full opportunities to develop their professional knowledge and skills.
- **Assurance #3: Supervision of Candidates.** The EPP will provide candidates with effective guidance and support during the clinical practice. The EPP ensures that each candidate is supervised (1) by one or more EPP clinical faculty members who have preparation both in the supervision of education and in the candidate's teaching major and who are ADEPT trained (2) by one or more school-based clinical faculty (cooperating teachers), each of whom is ADEPT trained. All EPP supervisors and cooperating teachers will hold certification as an ADEPT evaluator or trainer, or they will have successfully completed an ADEPT seminar that follows the SCDE-recommended structure and format. Additionally, the EPP will provide all supervisors and cooperating teachers with training related to the institution's requirements and procedures for evaluating and supporting candidates.
- **Assurance #4: Feedback to Candidates.** The EPP will ensure that, throughout the clinical experience, supervisors provide each candidate with accurate, appropriate, and ongoing formative feedback that enables the candidate to improve his or her teaching performance and effectiveness. Additionally, the EPP will assign ratings and grades aligned with the EPP's stated policies and that truly represent the quality of each candidate's teaching performance and effectiveness.
- **Assurance #5: Continuous ADEPT Program Improvement.** The EPP will gather **qualitative and quantitative** data to determine the impact of the program on the teaching performance and effectiveness of the institution's candidates and graduates relative to the ADEPT Performance Standards/SCTS 4.0 Domains and will use these data to guide future program planning.

SECTION II: EPP ADEPT Program Evaluation and Improvement
