April 6, 2022	Effectiveness Virtual Office Hours, 2:00–3:00 PM

Action Requested: Professional Learning Library

For technical support purposes, districts must assign a district technical contact for the new Professional Learning Library (PLL) provided by PowerSchool and Educational Impact. This person does not need to be an IT wiz, but should understand how the district is asking educators to use the PLL. **Email your OEELD ADEPT contact with the name and email address of your district technical contact by Friday, March 18.**

Thanks to all districts that attended the PLL Preview on February 28, 2022. The PLL will be available for all educators in May 2023, but district-level users may preview the on-demand courses and videos now. The PLL Preview training recording and user guides have been emailed to registered participants. If you are interested in receiving these resources, please email fcolley@ed.sc.gov.

New Effectiveness Newsletter Look & Distribution

The South Carolina Department of Education is working hard to streamline communications and improve accessibility. Starting April 2022, our Effectiveness Newsletter will be sent via Constant Contact and will have a template similar to other newsletters from the SCDE Communications Office. Recipients will be pulled from our internal contact list and the agency's District and Entity Information Management system (DEIM). If you would like to have additional Effectiveness Newsletter recipients, kindly share the Constant Contact registration to the intended recipient or enter their information.

Virtual Office Hours

Our next Virtual Office Hours for 2021–22 is scheduled for April 6, 2022. We will continue to use Microsoft Teams. Send requests for topics to fcolley@ed.sc.gov on or before March 24, 2022. Previous months' recordings and PowerPoint Presentations are available on our website.

SLO Reminders

As a reminder, please ensure that all SLO observations and summative conferences have occurred before April 30th or by the date set in your ADEPT plan.
Also, for classroom-based teachers, the SLO score or "skip SLO" must be present for auto completion to fill in Overall Status and recommendations for the following year for Continuing GBE educators.

For SLO support resources, please visit our SLO webpage. For questions or support, reach out to your ADEPT regional contact or our SLO Coordinator, Rodney Evans, revans@ed.sc.gov.
