

Michalann Evatt: is there a call in number?

Lilla Toal-Mandsager: Michalann, you can use the app through your phone, but we don't have a call in number.

Lilla Toal-Mandsager: We will be recording for future reference.

Michalann Evatt: can you tell me how to do this?

Lilla Toal-Mandsager: Michalann, I'm not sure what you're having trouble with, you appear to be signed in. If you go to the link to this room on a browser in your phone, you can also join via mobile.

Lilla Toal-Mandsager: There is also an adobe connect app.

Mark McCann: I am not seeing a microphone icon. This is Mark McCann from Columbia International University.

Michalann Evatt: on desktop. I heard you for a minute now gone. I'll figure it out.

Leigh Martin: I also do not see the microphone.

Carol McClain: No sound

Rachel: Can anyone hear anything?

Mark McCann: I think they just have it muted until it is time to start.

Rachel: Thanks, Mark.

Amanda Darden and Betsey Costner: Betsey and Amanda, CCU

Leigh Martin: Leigh Martin, Clemson University

Rachel: Rachel Burns USC Beaufort

Jennifer Hein: Jennifer Hein Clemson

Jenny Johansson: Jenny Johansson, Columbia College

reillyt1@citadel.edu: Good morning, Beverly. Tom reilly

Mark McCann: Mark McCann, Columbia International

University of South Carolina-Columbia: hello

Callum B. Johnston: Good morning everyone.

Michalann Evatt: Furman, Charmaine Moore and Michalann Evatt. Have sound now. Thanks.

FERN 2: HEY BEVERLY, FERN LANDER UNIVERSITY

Bill Millar: Bill Millar Clemson University

Lindsay (FMU): Lindsay Sturkie, Francis Marion University

Al Hiott: Al Hiott Anderson University

Shelly Meyers: Shelly Meyers: Limestone College

Lilla and Beverly: Hi all, at the end of the webinar, I'll put this presentation up for you to download.

Lilla and Beverly: Welcome!

Shelly Meyers: Why are graduate names no longer available on the reports?

Lilla and Beverly: Hi Shelly, an individual educator's evaluation information should be between the educator and the evaluator. You will have a list of who is included in your reports as well as their information for your accreditation.

Lindsay (FMU): I have sound

Lilla and Beverly: Also, this is Lilla.

Leigh Martin: When you send the link to this recording via email, can you also send the link to SCLead? I am in SCLead now but my screen looks very different.

Lilla and Beverly: Sure thing.

Leigh Martin: Thank you!

Lilla and Beverly: <https://www.sclead.org>

Shelly Meyers: From the IHE Portal we used to get the graduates' names on the export sheet. They are not there when we export from SC Lead.

Callum Johnston: I'm sorry but I am going to have to leave. I cannot hear and am missing important information while trying to get this technology here to work

Michalann Evatt: Beverly, at several Deans meetings we have asked for the data in the system as opposed to all of us sending in MOU data requests every year for accreditation. We need the data by licensure area

Lilla and Beverly: Callum, we'll send you the link.

Mark McCann: Thank you so much for those upcoming report changes for data access.

Lilla and Beverly: Michalann, as we said, we have made plans, based on your feedback to give you information we have access to.

Lilla and Beverly: Our office of research and data analysis is the place to follow up with if there is other data needed.

Lilla and Beverly: Our new data request process is MUCH faster than it was a year ago.

Lindsay (FMU): Thank you for that Training!!! I will be getting a few to take part in that!

Lilla and Beverly: We also have multiple institutions with MOUs for what they need.

Jenny Johansson: Thank you for hosting here at Columbia College.

Lilla and Beverly: Thanks for having us, Jenny!

Ione Saxon: Thanks for the training !

Patti Jones/Presbyterian College: Thank you!

Michalann Evatt: THanks Llla. But we feel it will overburden the data office to receive 30+ data requests a year for data we all need. Seems more efficient to build into the system. Thanks for considering this.

Lilla and Beverly: We hear you Michalann and will pass it on. In the meantime, we have infrastructure set up to meet those needs. Don't be afraid to ask for what you need.

Callum Johnston: Would you please send me the information provided in this meeting as I was unable to participate while it was occurring due to technology problems.

Lilla and Beverly: @Callum, yes.

Callum Johnston: thank you.

Melissa Awenowicz: For clarification, is the form Verification of Educator Preparation Recommendation fo rCertification still required for each candidate OR has the input into SCLeads of the Student Teaching Results REPLACING or in addition to this form? Thanks, Melissa

Lindsay (FMU): I definitely think in person would be helpful

Jennifer Hein: We all have discussed that we believe the system should contain data to meet the SCDE partnership with CAEP that we are all held to.

Patti Jones/Presbyterian College: I love the idea of a virtual roundtable.

Mark McCann: Virtual meeting sounds good.

Lilla and Beverly: @Melissa, great question.

Lindsay (FMU): Or the virtual round table, too

Tim Bott: Is it possible to complete Train the Trainers Virtually?

Lilla and Beverly: That verification form is for our certification department to process your candidates initial certificates. It is still needed.

Lilla and Beverly: There are occasionally students who successfully complete student teaching, but are not recommended for a certificate.

Shelly Meyers: I think it would be beneficial to hold a workshop in developing a comprehensive ADEPT plan.

Jennifer Hein: Just tried to locate our ADEPT feedback report and it isn't there... We would love to see our feedback. Did I hear you wrong that it was already uploaded?

Lilla and Beverly: @Tim, we don't have an online module for that because the content is so detailed and we try to give training on the spot.

Mark: We received an e-mail with that feedback, Jennifer.

Lilla and Beverly: @Jennifer, I believe we emailed it.

Callum Johnston: Do we have a centralized data bank on completers and where they are working in the state?

Jennifer Hein: That was me... Can you send those to me again?

Callum Johnston: Thank you very much

Lilla and Beverly: @Jennifer, will do.

Jennifer Hein: Thank you....

Mark McCann: Thank you for the meeting!

Shay Pierce: Thank you so much! That was very helpful!

Callum Johnston: Thank you very much for the time you took to do this

Michalann Evatt: Thanks! Happy Holidays all

Lindsay (FMU): Thank you! Merry Christmas!

Patti Jones/Presbyterian College: Thank you! Merry Christmas!

Amanda Darden and Betsey Costner: Thank you! Have a great holiday!

FERN 2: Thank you for all you do to make this process easier and transparent for us

Lilla and Beverly: You are rocking it Beverl. :)

reillyt1@citadel.edu: Tom Reilly - Thank you, Beverly and Lilla.

Mark: Thank you. Have a wonderful Holiday.

Charmaine Moore: Thanks all!

Ione Saxon: Merry Christmas!

Lilla and Beverly: It was great to meet you this week Tom. Be well.

FERN 2: Bev--stay away from the email during the holidays--LOL

Bill Millar: Thank you! Happy Holidays!

FERN 2: OOH Bev!

Ione Saxon: Is it possible to have a training session on preparing the ADEPT plan?

Lilla and Beverly: Thanks again for coming everyone!
