

## Inter-rater Reliability Video Content Details

Category	Title	Description	Time
Elementary	<b>1st Grade ELA - Elementary</b>	In this segment, observe a 1st grade ELA classroom for evaluation and inter-rater reliability practice.	38:18:00
Elementary	<b>2nd Grade Addition and Subtraction - Elementary</b>	Observe a 2nd grade math classroom for evaluation and inter-rater reliability practice.	38:04:00
Elementary	<b>2nd Grade Cause and Effect - Elementary</b>	Observe a 2nd grade ELA classroom for evaluation and inter-rater reliability practice.	41:04:00
Elementary	<b>2nd Grade Reading - Elementary</b>	Observe a 2nd grade ELA classroom for evaluation and inter-rater reliability practice.	1:01:56
Elementary	<b>2nd Grade Retelling and Comparing Two Stories - Elementary</b>	Observe a 2nd grade ELA classroom for evaluation and inter-rater reliability practice.	13:06
Elementary	<b>3rd Grade Main Idea Lesson - Elementary</b>	Observe a 3rd grade classroom for evaluation and inter-rater reliability practice.	14:17
Elementary	<b>4th Grade Building Circuits - Elementary</b>	Observe a 4th grade classroom building circuits for evaluation and inter-rater reliability practice.	48:14:00
Elementary	<b>4th Grade ELA, Main Idea - Elementary</b>	Observe a 4th grade ELA classroom for evaluation and inter-rater reliability practice.	17:47
Elementary	<b>4th Grade Informational Writing - Elementary</b>	In this segment, observe a 4th grade ELA classroom for evaluation and inter-rater reliability practice.	12:04
Elementary	<b>4th Grade Math - Elementary</b>	Observe a 4th grade math classroom for evaluation and inter-rater reliability practice.	35:54:00
Elementary	<b>4th Grade Motion Science - Elementary</b>	Observe a 4th grade science classroom for evaluation and inter-rater reliability practice.	31:50:00
Elementary	<b>4th Grade Poetry Lesson - Elementary</b>	In this segment, observe a 4th grade ELA classroom for evaluation and inter-rater reliability practice.	12:59
Elementary	<b>4th Grade Reading - Elementary</b>	Observe a 4th grade ELA classroom for evaluation and inter-rater reliability practice.	50:22:00
Elementary	<b>4th Grade Science - Elementary</b>	Observe a 4th grade science classroom for evaluation and inter-rater reliability practice.	31:44:00
Elementary	<b>4th Grade Social Studies - Elementary</b>	Observe a 4th grade social studies classroom for evaluation and inter-rater reliability practice.	14:01
Elementary	<b>4th Grade Spatial Reasoning with Polygons - Elementary</b>	Observe a 4th grade math classroom for evaluation and inter-rater reliability practice.	15:28
Elementary	<b>4th Grade Supporting Opinions with Examples - Elementary</b>	Observe a 4th ELA classroom for evaluation and inter-rater reliability practice.	11:38
Elementary	<b>4th Grade Visualizing with Fractions - Elementary</b>	Observe a 4th grade math classroom for evaluation and inter-rater reliability practice.	14:48
Elementary	<b>5th Grade ELA Group Presentations - Elementary</b>	Observe a 5th grade ELA classroom for evaluation and inter-rater reliability practice.	12:13
Elementary	<b>5th Grade Math Word Problems - Elementary</b>	In this segment, observe a 5th grade math classroom for evaluation and inter-rater reliability practice.	51:58:00

## Inter-rater Reliability Video Content Details

Category	Title	Description	Time
Elementary	<b>5th Grade Science - Elementary</b>	In this segment, observe a 5th grade science classroom for evaluation and inter-rater reliability practice.	55:37:00
Elementary	<b>5th Grade Writing - Elementary</b>	In this segment, observe a 5th grade writing classroom for evaluation and inter-rater reliability practice.	26:09:00
Elementary	<b>Bell to Bell Kindergarten - Elementary</b>	In this segment, observe a kindergarten classroom for evaluation and inter-rater reliability practice.	1:07:11
Elementary	<b>David Flesch Post Interview</b>	This segment features a post-classroom debrief with high school biology teacher David Flesch following a lesson about cells. David Flesch's lesson and associated interviews can be used for inter-rater reliability purposes.	
Elementary	<b>Elementary Student-Centered Learning: Discussing Community - Elementary</b>	Observe an elementary student-centered learning classroom for evaluation and inter-rater reliability practice.	26:40:00
Elementary	<b>Elementary Student-Centered Learning: ELA - Elementary</b>	Observe an elementary student-centered learning ELA classroom for evaluation and inter-rater reliability practice.	28:50:00
Elementary	<b>Elementary Student-Centered Learning: Reading - Elementary</b>	Observe an elementary student-centered learning reading classroom for evaluation and inter-rater reliability practice.	27:03:00
Elementary	<b>Kindergarten ELA/Science - Elementary</b>	In this segment, observe a kindergarten science classroom for evaluation and inter-rater reliability practice.	21:24
Elementary	<b>Kindergarten Mathematics - Elementary</b>	In this segment, observe a kindergarten mathematics classroom for evaluation and inter-rater reliability practice.	53:12:00
Elementary	<b>Kindergarten: Part 1 - Elementary</b>	Observe a kindergarten classroom for evaluation and inter-rater reliability practice.	55:41:00
Elementary	<b>Kindergarten: Part 2 - Elementary</b>	Observe a kindergarten classroom for evaluation and inter-rater reliability practice.	54:45:00
Elementary	<b>Kindergarten: Part 3 - Elementary</b>	Observe a kindergarten classroom for evaluation and inter-rater reliability practice.	1:02:11
Elementary	<b>Upper Elementary Math Shapes - Elementary</b>	Observe an upper elementary math shapes classroom for evaluation and inter-rater reliability practice.	22:42
Secondary	<b>10th Grade ELA/Social Studies - Secondary</b>	Observe a high school social studies classroom for evaluation and inter-rater reliability practice.	38:50:00
Secondary	<b>10th Grade Modeling with Systems of Equations - Secondary</b>	In this segment, observe a 10th grade math classroom for evaluation and inter-rater reliability practice.	32:04:00
Secondary	<b>10th Grade Science - Secondary</b>	Observe a high school science classroom for evaluation and inter-rater reliability practice.	15:40
Secondary	<b>11th Grade Mathematics - Secondary</b>	Observe an 11th grade mathematics classroom for evaluation and inter-rater reliability practice.	27:45:00
Secondary	<b>11th Grade Reading - Secondary</b>	Observe a high school ELA classroom for evaluation and inter-rater reliability practice.	20:18
Secondary	<b>12th Grade ELA - Secondary</b>	Observe a high school ELA classroom for evaluation and inter-rater reliability practice.	22:35
Secondary	<b>6th Grade Food Webs and Social Issues - Elementary</b>	Observe a 6th grade classroom for evaluation and inter-rater reliability practice.	32:36:00

## Inter-rater Reliability Video Content Details

Category	Title	Description	Time
Secondary	<b>6th Grade Food Webs and Word Problems - Elementary</b>	Observe a 6th grade classroom for evaluation and inter-rater reliability practice.	40:03:00
Secondary	<b>6th Grade Informational Text - Elementary</b>	Observe a 6th grade ELA classroom for evaluation and inter-rater reliability practice.	15:21
Secondary	<b>6th Grade Math - Elementary</b>	Observe a 6th grade math classroom for evaluation and inter-rater reliability practice.	24:19:00
Secondary	<b>6th Grade Writing Lesson Using Adjectives - Elementary</b>	Observe a 6th grade ELA classroom for evaluation and inter-rater reliability practice.	13:02
Secondary	<b>7th Grade ELA - Secondary</b>	Observe a 7th grade ELA classroom for evaluation and inter-rater reliability practice.	20:53
Secondary	<b>7th Grade Problem Solving/Graphing - Secondary</b>	In this segment, observe a 7th grade math classroom for evaluation and inter-rater reliability practice.	15:20
Secondary	<b>8th Grade Math - Secondary</b>	Observe an 8th grade math classroom for evaluation and inter-rater reliability practice.	
Secondary	<b>8th Grade Reading - Secondary</b>	In this segment, observe an 8th grade ELA classroom for evaluation and inter-rater reliability practice.	37:49:00
Secondary	<b>8th Grade Rhetorical Analysis - Secondary</b>	Observe an 8th grade ELA classroom for evaluation and inter-rater reliability practice.	13:46
Secondary	<b>9th Grade Biology - Secondary</b>	Observe a 9th grade biology classroom for evaluation and inter-rater reliability practice.	13:01
Secondary	<b>9th Grade ELA - Secondary</b>	In this segment, observe a 9th grade ELA classroom for evaluation and inter-rater reliability practice.	14:27
Secondary	<b>9th-12th Grade Analyzing and Interpreting Molecules - Secondary</b>	Observe a secondary science classroom for evaluation and inter-rater reliability practice.	46:56:00
Secondary	<b>9th-12th Grade Coding Techniques - Secondary</b>	Observe a secondary math classroom for evaluation and inter-rater reliability practice.	29:10:00
Secondary	<b>9th-12th Grade ELA Research Conferencing - Secondary</b>	Observe a secondary ELA classroom for evaluation and inter-rater reliability practice.	39:04:00
Secondary	<b>9th-12th Grade Mock Interviewing - Secondary</b>	Observe a secondary technology classroom for evaluation and inter-rater reliability practice.	36:37:00
Secondary	<b>9th-12th Grade Organic Compounds - Secondary</b>	Observe a secondary science classroom for evaluation and inter-rater reliability practice.	31:04:00
Secondary	<b>9th-12th Grade Resume Building - Secondary</b>	Observe a secondary ELA classroom for evaluation and inter-rater reliability practice.	41:07:00
Secondary	<b>9th-12th Grade Structural Engineering - Secondary</b>	Observe a secondary Engineering classroom for evaluation and inter-rater reliability practice.	41:54:00
Secondary	<b>High School Algebra - Secondary</b>	Observe a high school math classroom for evaluation and inter-rater reliability practice.	11:14
Secondary	<b>High School Engineering: Part 1 - Secondary</b>	Observe a high school engineering and science classroom for evaluation and inter-rater reliability practice.	45:43:00

## Inter-rater Reliability Video Content Details

Category	Title	Description	Time
Secondary	<b>High School Engineering: Part 2 - Secondary</b>	Observe a high school engineering and science classroom for evaluation and inter-rater reliability practice.	49:45:00
Secondary	<b>High School Literature Analysis - Secondary</b>	Observe a secondary ELA classroom for evaluation and inter-rater reliability practice.	17:56
Secondary	<b>High School Math - Secondary</b>	Observe a high school math classroom for evaluation and inter-rater reliability practice.	24:01:00
Secondary	<b>High School Math Story Problems - Secondary</b>	Observe a secondary math classroom for evaluation and inter-rater reliability practice.	30:33:00
Secondary	<b>High School Math/Algebra - Secondary</b>	Observe a high school mathematics classroom for evaluation and inter-rater reliability practice.	24:20:00
Secondary	<b>High School Polynomial Functions - Secondary</b>	Observe a high school math classroom for evaluation and inter-rater reliability practice.	11:36
Secondary	<b>High School Science: Part 1 - Secondary</b>	Observe a high school science classroom for evaluation and inter-rater reliability practice.	55:41:00
Secondary	<b>High School Science: Part 2 - Secondary</b>	Observe a high school science classroom for evaluation and inter-rater reliability practice.	44:18:00
Secondary	<b>High School Science: Part 3 - Secondary</b>	Observe a high school science classroom for evaluation and inter-rater reliability practice.	50:32:00
Secondary	<b>High School Science: Part 4 - Secondary</b>	In this segment, observe a high school science classroom for evaluation and inter-rater reliability practice.	50:11:00
Secondary	<b>High School Social Studies - Secondary</b>	In this segment, observe a high school social studies classroom for evaluation and inter-rater reliability practice.	36:41:00
Secondary	<b>High School Social Studies - Secondary</b>	In this segment, observe a high school social studies classroom for evaluation and inter-rater reliability practice.	1:08:09
Secondary	<b>High School Student-Centered Learning: Economics - Secondary</b>	Observe a high school student-centered learning economics classroom for evaluation and inter-rater reliability practice.	33:59:00
Secondary	<b>High School Student-Centered Learning: Science - Secondary</b>	Observe a high school student-centered learning science classroom for evaluation and inter-rater reliability practice.	15:29
