South Carolina Approved Educator Preparation Program Inventory

Revised August 2026

Introduction

The South Carolina Approved Educator Preparation Program Inventory serves as a resource for prospective educators and other stakeholders seeking information on approved educator preparation providers and programs offered by colleges and universities in the state.

The inventory is organized alphabetically according to the name of the college or university. For each institution, the inventory provides information about accreditation and includes a complete listing of initial and advanced certification programs approved for educator certification by the South Carolina State Board of Education.

Initial and advanced programs are designed to develop PK–12 teachers and those in service and leadership fields. Initial programs are offered at the baccalaureate, post-baccalaureate, and post-master's levels and lead to initial certification–typically the first teaching certificate. Advanced programs are offered at the post-baccalaureate, post-masters, and graduate level, and are designed for teachers and individuals in service and leadership fields that in most cases have already completed an initial certification program.

Program listings also include the program name, initial or add-on certification field, and certification grade span. Degree and certificate types in this inventory include the:

- Artium Baccalaureatus (AB)
- Bachelor of Arts (BA)
- Bachelor of Fine Arts (BFA)
- Bachelor of Music Education (BME)
- Bachelor of Science (BS)
- Post-Bachelor's Certificate (PBC)
- Post-Master's Certificate (PMC)
- Master of Arts in Teaching (MAT)
- Master of Arts (MA)
- Master of Education (MED)
- Master of Music (MM)
- Master of Science (MS)
- Master of Teaching (MT)
- Educational Specialist (EDS)
- Specialist in School Psychology (SSP)
- Doctor of Philosophy (PHD)

Some institutions offer education programs that do not lead to initial educator certification in South Carolina or meet requirements to add certification fields. For questions regarding program enrollment, program-specific information, or certification requirements, please contact the college or university directly.

For questions regarding the South Carolina Approved Educator Preparation Program Inventory, please contact Jaclyn Walsh in the Office of Educator Services, jwalsh@ed.sc.gov.

Table of Contents

Introduction 2
Allen University 5
Anderson University 6
Bob Jones University 7
Charleston Southern University 8
