| Educational Experience Partnerships- Free Access through Aquarium School Programs | \$750,000           | Funding will be used to support complimentary access to the South Carolina Aquarium for K-12 students from our state through our School Programs. The Aquarium's core-standards-based School Programs is the cornerstone of the Aquarium's STEM education mission. Designed alongside South Carolina's education curriculum, every facet of the free K-12 program complements our state's classroom learning modules and charts a singular path for the children of South Carolina to participate in engaging, complementary, hands-on STEM experiences. Through this program, the Aquarium can provide free education and Aquarium access to more than 6,500 K-12 students annually. |
