

BEFORE THE SOUTH CAROLINA STATE BOARD OF EDUCATION

In the Matter of the
Suspension of the
Educator Certificate of
Belinda Ann Sauret
Certificate 281095

ORDER OF SUSPENSION
(Failure to meet ADEPT Requirements)

SUMMARY OF THE CASE

The South Carolina State Board of Education (State Board) considered this matter on September 10, 2019. On July 19, 2019, the South Carolina Department of Education's (SCDE) Office of Educator Effectiveness sent Belinda Ann Sauret notice of her failure to meet the requirements of her ADEPT formal evaluation via regular and certified mail. Pursuant to S.C. Res. 43-58 (2017), S.C. Reg. 43-205.1 (2017), and the ADEPT System Guidelines (2018), a second unsuccessful ADEPT formal evaluation at the annual-contract level requires that Dr. Sauret's South Carolina teaching certificate be automatically suspended for a minimum of two years. Dr. Sauret received the notice, as evidenced by the USPS tracking system. After considering the information presented by the SCDE, the State Board voted to suspend Dr. Sauret's certificate for a minimum of two years, beginning September 10, 2019, and ending September 9, 2021, provided that Dr. Sauret successfully completes a state-approved remediation plan.

FINDINGS OF FACT

Dr. Sauret holds a South Carolina educator certificate and has thirty-one years of teaching experience. The Greenville County School District's annual ADEPT report to the Office of Educator Effectiveness indicated that Dr. Sauret was unsuccessful in meeting the requirements of her ADEPT formal evaluation for the 2018-2019 school year. This was Dr. Sauret's second unsuccessful ADEPT evaluation at the annual-contract level.

CONCLUSIONS OF LAW

The State Board will automatically suspend for a minimum of two years the certificate of an annual-contract teacher who for the second time fails to meet ADEPT formal evaluation criteria. S.C. Code Ann. P 59-5-60 (2004); S.C. Reg. 43-58 (2017), S.C.

Reg. 43-205.1 (2017). The State Board finds that sufficient evidence has been presented supporting its conclusion that Dr. Sauret failed to meet ADEPT formal evaluation criteria for a second time, warranting the suspension of her certificate for a minimum period of two years, commencing on September 10, 2019, through September 9, 2021, provided that Dr. Sauret successfully completes a state-approved remediation plan. An “ineligible for hire” indicator will be placed in Dr. Sauret’s certification file with the Office of Educator Services and will not be removed prior to September 9, 2021, provided that she successfully completes a state-approved remediation plan.

Before reentry into the profession and removal of the suspension, Dr. Sauret must complete a state-approved remediation plan based on the areas that were identified as deficiencies during the formal evaluation process. Remediation plans must be developed and implemented in accordance with the State Board’s ADEPT implementation guidelines. Following the minimum two-year suspension period and the completion of the remediation plan, as certified by the Office of Educator Services, Dr. Sauret’s educator certificate suspension will be lifted and Dr. Sauret will be eligible for employment at the annual-contract level. All fees and eligibility requirements that are in effect at the time of Dr. Sauret’s reapplication will apply.

AND IT IS SO ORDERED.

South Carolina State Board of Education
