State Board Regulation:

Computing the Experience of Teachers.

A. In the computation of experience credit, the following conditions will apply.

1. Full-time equivalents (FTEs) of the 190-day school year will be utilized as the basis of computation. The minimum experience to be credited shall be one-tenth (.1) FTE per year; the maximum experience to be credited shall be one (1) FTE per year. A school day is defined as a minimum of seven hours.

2. One year of experience may be credited provided the teacher is employed in a full-time position for a minimum of eight-tenths (.8) of the contract year but in no case fewer than 152 days.

3. Partial-year experience may be utilized to compute full years of experience provided the sum of the partial experience meets the requirement stated in number 1, above.

4. Summer school teaching credit will be calculated at the rate of two (2) days of summer school as the equivalent of one (1) regular school day provided the teacher works one (1) session for four (4) hours per day or at the rate of one (1) regular school day provided the teacher works two (2) sessions for eight (8) hours per day. Summer school teaching credit may be added to partial years of experience
