Unbundle Titles at a School

Bundles are materials that are grouped together. In Textbook Manager, a bundle in the main title of the material with other titles assigned to it. A bundle specifies the quantity of copies attached to each assigned title. Receive bundles at a school like any other title. However, before circulating copies in a bundle, unbundle the assigned titles from the main title, and then add copies to each title.

To unbundle titles:

1. Do one of the following
 - a. Receive materials in **Catalog > Order Textbooks > Track** sub-tab.
 - b. Find and select the material in **Catalog > Textbook Search**.
2. On the Bundle Details sub-tab, click **Unbundle**.
