What is *Handle With Care*?

Handle With Care is a notification system that partners law enforcement and other first responders with school systems and community-based partners to inform schools when a child has had an encounter with law enforcement or other first responders in order to place them within a system of care to maximize their educational experience after the encounter.

Key Partners

- School and District personnel
- County/State/Local Law Enforcement
- Community Health Service Providers
- Child Care Services
- Other Community Partners (Community-based organizations; Fire Department; Emergency Management Services, Etc.)
