### ASSURANCE:

The District is fully in compliance with all provisions of the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. §1232g; 34 CFR Part 99) and the Protection of Pupil Rights Amendment (PPRA) (20 U.S.C. §1232h; 34 CFR Part 98). The District has reviewed the priority concerns identified in the letter from United States Department of Education's Student Privacy Policy Office dated March 28, 2025, and assures that its FERPA and PPRA practices comply with the legal requirements outlined in the guidance. I acknowledge that the District is responsible for providing the South Carolina Department of Education with information concerning the methods by which each school in the district has fulfilled its obligations with regards to the priority concerns addressed. Additionally, upon the request of the SCDE, the District will provide additional documentation to demonstrate compliance, including reports, information on policies and procedures, training materials, and other relevant documents.
