Source: CERRA, SC Annual Educator Supply & Demand Survey, 2021-22. Data (in FTEs) are reported by SC school districts at the beginning of each school year.

Notes: Teaching positions are held by certified educators who provide instruction in a classroom setting. Service positions are held by certified educators who provide instruction and support in a school setting (librarians, counselors, psychologists, speech language pathologists, etc.). Departures refer to certified educators from 2020-21 who did not return to a teaching/service position in the same district for the 2021-22 school year.
