

District Name	Program Type	Grade Levels Served	Meets Established Criteria	Program Model Notes
Aiken	Full Time	6-12	Yes	Aiken iNNOVATE program, full-time virtual learning program serving grades 6-12. Live sessions conducted based on structured master schedule for the program. Utilize VirtualSC Franchise Program for courses.
Anderson 1	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12, only students with a documented medical concern or family medical concern may participate in the virtual program.
Barnwell 45	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. Courses will be conducted synchronously with breaks for some asynchronous time to work on assignments.
Berkeley	Full Time & Supplemental	7-12	Yes	Supplemental program serving grades 7-12. Program will offer virtual and blended learning opportunities for high school credit. Students may take classes to supplement their in-person schedule during the regular school day. Partnership through the VirtualSC Franchise Program to utilize VirtualSC courses taught by a Berkeley County teacher. Partnering with the Low Country Education Consortium's approved program for grades K-8.
Charleston	Full Time & Supplemental	K-12	Yes	Supplemental program serving grades 7-12. Charleston County School District, through its Online Learning Program, offers virtual and blended learning opportunities to students enrolled in grades 7-12 who are seeking high school credit. Students may take courses using a number of platforms, including: VirtualSC, VirtualSC Franchise Program, Edgenuity, and Canvas. Partnering with the Low Country Education Consortium's approved program for grades K-8.  Full time program serving grades K-12. Students enrolled in our virtual program courses will receive both synchronous and asynchronous instruction. Schools and teachers will utilize a variety of methods to provide real-time instruction and contact with students. These could include regularly scheduled synchronous classes, virtual meetings, regularly scheduled office hours, group meetings, telephone contact, etc.
Chester	Full Time	3-12	Yes	Full time program serving students in grades 3-12. Students will receive quality synchronous instruction from teachers who have a South Carolina certification through EdOptions Academy. Students in grades 3-5 will have synchronous learning opportunities daily. Students in grades 6-12 will have synchronous learning four days per week with one dedicated to one-on-one instruction and parent conferences.

Chesterfield	Supplemental	K-12	Yes	Supplemental virtual learning program serving grades K-12. As a supplemental program students would take only some classes virtually through this option.
Darlington	Full Time	5K-12	Yes	Full-time virtual learning program serving grades 5K-12. Live daily instruction with a certified teacher from the district. Program will provide all materials and computer equipment necessary for students to participate in the program. Students who do not make adequate progress will be removed from the program.
Dillon 3	Full Time	1-12	Yes	Full time program serving grades 1-12. Virtual courses will be taught by a South Carolina certified teacher. Teachers will provide synchronous instruction at all grade levels.
Dorchester 2	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. 85-90% of the time synchronous instruction, same bell schedule as face to face instruction, teachers assigned only to the program.
Dorchester 4	Full Time & Supplemental	9-12	Yes	Full time and supplemental program serving students in grades 9-12. Teachers will be assigned to meet with students and provide synchronous instruction with a weekly meeting schedule that meets the required 25% synchronous instruction guideline. Teachers will use the virtual courseware through Edmentum. The supplemental program will allow students to take a portion of their schedule using virtual instruction through the program while the remainder of their schedule is in-person. Partnering with the Low Country Education Consortium's approved program for grades K-8.
Fairfield	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. Daily class schedule similar to traditional school schedule. Students will participate in synchronous instruction at least four days per week. Some courses are offered through Edgenuity and some through Midlands Technical College.
Florence 1	Full Time	K-12	Yes	Full time program serving grades K-12. Elementary and middle school students receive direct synchronous support and instruction through a 'live learning block'. High School students will receive direct support from their teacher during 'office hours' two days per week to supplement the online curriculum.
Florence 3	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. Grades K-6 offers daily synchronous instruction with the teacher. Grades 7-12 will use Apex and attend live sessions through Google Classroom. Virtual teachers and traditional teachers plan together to ensure consistency in curriculum across both modes of instruction to ensure that all students receive a similar experience.

Georgetown	Full Time	K-6	Yes	Full time program serving grades K-6. Provides SC certified virtual educator for all grade levels. The students will be provided a regular school schedule, which will outline times that students should be logged in for live synchronous lessons while completing assignments for each course. Synchronous lessons are provided on a daily basis, with asynchronous components included for homework, group work, and projects.
Greenville	Full Time	5K-12	Yes	Full time program serving grades 5K-12. Synchronous learning in all grade levels with dedicated teachers to provide instruction to students in the program. Program has an administration in place to oversee the implementation of the program.
Greenwood 50	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. Synchronous instruction at all grade levels with some hybrid/blended instruction. Courses will operate on a block schedule and students will commit to the program for one semester at a time.
Greenwood 52	Full Time	K-12	Yes	Full-time virtual learning program serving grades K-12. Synchronous instruction provided through EdOptions Academy. All classes will be scheduled synchronously with a certified teacher, who will provide live whole group, small group, and one-on-one instruction with the teacher. Some asynchronous time will be available for individual work during or after the scheduled synchronous class period.
Horry	Full Time & Supplemental	K-12	Yes	District has operated a successful supplemental virtual learning program since 2009, but will also offer a full time virtual learning program for grades K-12. All students will participate in synchronous sessions with the teacher and will exceed the 25% synchronous requirement. Students will have some asynchronous time available for individual work at all grade levels.
Horse Creek Academy	Full Time	5K-10	Yes	Full time program serving grades 5K-10. The Horse Creek Academy virtual program will offer an online option to our families that ensures our mission is accomplished; Our mission is to create an innovative and challenging learning environment that teaches the whole learner through the pillars of connection, flexibility, and service. Provides for both synchronous and asynchronous learning opportunities at all grade levels.
Jasper	Full Time	3-12	Yes	Full-time virtual learning program serving grades 3-12. Will utilize certified teachers from Proximity or ElevateK12 to provide synchronous classes to all students. Courses offered will be through Edgenuity. Some asynchronous time will be available to students for independent study and self-paced learning, but most learning takes place completely synchronously.

Kershaw	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Students will receive direct instruction provided virtually by Kershaw County School District certified teachers dedicated to online teaching and learning. Students will participate and engage in virtual meetings, collaborative discussions, and tasks that include digital and interactive resources.
Lancaster	Full Time	PK-12	Yes	Full time virtual learning program serving grades PK-12. Students will be provided synchronous instruction that follows the normal school schedule at the elementary level and a combined synchronous and asynchronous instruction model at the middle and high school levels.
Laurens 55	Full Time	5K-12	Yes	Full time program serving grades 5K-12. Program will utilize Edmentum's EdOptions Academy. Teachers will conduct live lessons and provide office/support hours for all students.
Laurens 56	Full Time	5K-12	Yes	Full time program serving grades 5K-12. Synchronous learning in all grade levels through Google Meet. Elementary students are required to have a learning guide as they navigate through the virtual learning day. Partnering with Edmentum to provide a virtual curriculum with a district provided teacher.
Lexington 1	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Elementary students receive daily synchronous instruction with standards-based assessments aligned to measurable targets. Middle school students will participate in daily synchronous class periods. High School students will have designated weekly time assigned for synchronous learning opportunities with the teacher. Students needing individualized support may be required to have small group sessions at least one time per week.
Lexington 2	Supplemental	K-12	Yes	Program will be reserved for students with a documented medical concern or family medical concern. The district may choose to implement temporary virtual learning for a particular school in the case of a school closing for a short time due to required isolation due to Covid-19.
Lexington 3	Full Time	K-12	Yes	Full time program serving students in grades K-12. Students in grades K-5 will be required to participate in 5 hours of synchronous instruction with the assigned teacher daily. Students in grades 6-12 will receive synchronous instruction with multiple teachers during the course of the day.
Lexington 5	Full Time	1-12	Yes	Full time virtual learning program serving grades 1-12. District has established a lottery system for students to participate based on enrollment thresholds. Program follows regular school day schedule with synchronous instruction exceeding the required minimums for synchronous instruction. Asynchronous learning opportunities allow students to work on individual course work and allow time for small group and one-on-one synchronous sessions to be scheduled with the teacher.

Low Country Education Consortium	Full Time	K-8	Yes	Full time virtual learning program serving grades K-8, but schools can opt for specific grade levels depending upon their need (some may not offer opportunities to all students in grades K-8). Low Country Education Consortium will manage and operate the virtual learning program and partner with participating districts who will fund the program and enroll their students. Elementary students receive 65-75% of their daily instruction in a synchronous format and middle school instruction is 40-50% synchronous. Program will not offer courses for students in grades 9-12 and will recommend VirtualSC as a supplemental option. Participating districts include: Beaufort, Berkeley, Charleston, Dorchester 2, Dorchester 4, Greenwood 52, and Florence 2.
Marion	Full Time	2-12	Yes	Full time virtual learning program serving grades 2-12. Grades 2-8 utilizes EdOptions Academy with a synchronous daily schedule similar to the traditional school schedule. Grades 9-12 uses Edgenuity and some VirtualSC courses, as needed for supplemental virtual instruction. Teachers in grades 9-12 provide synchronous instruction during designated times using Edgenuity as the core curriculum.
Marlboro	Full Time	4-12	Yes	Full time program serving grades 4-12. Synchronous instruction in scheduled live learning blocks for elementary and middle school students. High School teachers are available for virtual office hours daily and live learning blocks are provided two days per week to provide for synchronous learning opportunities.
Oceanside Collegiate Academy	Full Time	9-12	Yes	Full time program serving grades 9-12. Lessons would involve a combination of direct instruction via Zoom meetings, indirect instruction, interactive instruction (discussion, break-out rooms), experiential learning (conducting experiments, field trips, etc.), and independent study.
Oconee	Full Time (2-8), Supplemental (9-12)	2-12	Yes	Full time virtual learning program serving grades 2-8. Supplemental program for students in grades 9-12 for students to take only a portion of their schedule virtually. Elementary students will function on a hybrid schedule for part of the year for teachers to build relationships and community. Middle school courses will be offered online but students will be able to attend in person classes for some electives. High School courses offered through VirtualSC Franchise Program, but students may only take a portion of their schedule virtually with the rest in person.
Orangeburg	Full Time	PK-9	Yes	Full time virtual learning program serving grades PK-9. Direct synchronous instruction provided through Microsoft Teams following the same schedule and expectations as in-person learning.

Pickens	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Elementary and middle school students will have daily synchronous instruction with their teachers, in addition to small group and individual conferencing. High school students will have both synchronous and asynchronous learning opportunities that will exceed the minimum requirement. Courses will be offered through Edmentum at the elementary grade levels, Odysseyware at the middle school grade levels, and VirtualSC Franchise Program courses at the high school level.
Richland 1	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Synchronous whole group, small group, and one-on-one sessions with teachers. Grades K-5 will be virtual four days per week and one day required in-person. Grades K-3 will have 4-5 hours of daily synchronous instruction, grades 4-5 will have 3-4 hours of synchronous instruction daily, and grades 6-12 will participate 8-10 hours weekly in synchronous learning opportunities. Students who are struggling will be offered additional synchronous instructional opportunities.
Richland 2	Full Time	K-12	Yes	Full time program serving grades K-12. Richland Two's eSchool program mirrors Richland Two's existing instructional model and includes strategies specific to effective instruction in the virtual learning environment. Synchronous instruction is provided daily for at least 90% of the school day. Asynchronous instruction is limited to independent practice. Students will follow a defined schedule with mandatory virtual meeting times.
Riverwalk Academy	Full Time	K-9	Yes	Full time program serving grades K-9. Provides for core instruction through the virtual program with certified teachers assigned to teach these courses virtually. Teachers offer a live lesson and support time where students log in to receive supplemental instruction along with the online curriculum developed by Pearson.
Salkehatchie Consortium	Full Time	4-12	Yes	Full time virtual learning program serving grades 4-12. Consortium operated virtual learning program that is operating a shared virtual program across three districts - Barnwell 29, Allendale, and Hampton. More may join the consortium as time goes on and some districts complete consolidations.
Saluda	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Offers standards aligned curriculum with synchronous learning opportunities. Grades K-8 offered through Google Classroom and grades 9-12 through VirtualSC and Apex.

SC Green Charter Schools	Full Time	K4-12	Yes	Full time program serving grades K4-12. A dedicated team of SC certified teachers will provide synchronous and asynchronous instruction. Students at all grade levels will have opportunities for synchronous learning opportunities through mini lectures, remedial teaching, and tutorials.
Spartanburg 4	Full Time	K-12	Yes	Full time virtual learning program serving grades K-12. Program will be offered in 2020-2021 only. Teachers are available Monday - Friday from 8AM - 4PM to hold synchronous sessions, provide tutoring, and offer small group instruction. Currently planning that after this school year the district will only offer supplemental courses through VirtualSC and will discontinue their full time program.
Spartanburg 6	Supplemental	K-12	Yes	Supplemental virtual program for K-12. Primarily asynchronous with opportunities for synchronous learning via a hybrid/blended approach. Transitioning to Edgenuity for 2021. Only serves students full time when there is a documented medical illness that requires virtual instruction. Have had a program in place for about ten years and operated under a proficiency-based system that was approved by SCDE in 2013-2014. Program serves all seven districts in Spartanburg County and is a shared service to all districts.
Spartanburg Preparatory School	Full Time	K-9	Yes	Full time program serving grades K-9. The instructional model consists of the grade level certified teacher providing synchronous virtual instruction and support. Lessons, activities, and assignments will be accessible to students through Google Classroom.
Sumter	Full Time	6-12	Yes	Full time program serving grades 6-12. Teachers assigned specifically to the program to offer synchronous virtual learning instruction, students required to have f2f instruction for 60 minutes per class at least 4 days per week, one day is designated for asynchronous and independent learning.
Union	Full Time	K-12	Yes	<p>Full time program serving grades K-12. Synchronous courses for students in grades K-5 with full time virtual teachers, schedule mimics the normal school day when possible and exceeds the 25% synchronous requirement.</p> <p>6-8 multiple teachers per grade level based on certification area. Similar schedule and model as K-5 with daily synchronous class schedule.</p> <p>Grades 9-12 - teachers hold live sessions two days per week with virtual courses embedded into the teacher schedule in the 2021-2022 school year.</p>

York 1	Full Time	K-8	Yes	Full time program serving grades K-8. Instruction provided by SC certified teachers through EdOptions Academy using the Edmentum virtual course platform. Synchronous daily instruction for students in grades K-8 with a structured class schedule. Grades 9-12 consists of synchronous and asynchronous learning opportunities during a structured class schedule each day.
York 2	Full Time	2-12	Yes	Full time program serving grades 2-12. Grades 2-5 is fully synchronous with daily schedule for live sessions. Middle and high school students will have a bell schedule similar to brick and mortar counterparts with both synchronous and asynchronous learning opportunities. Planning to serve a maximum of 200 students with 15 flex spots available. District will employ a success coach to assist students.
York 3	Full Time	K-12	Yes	Full time program serving grades K-12. Synchronous instruction provided at all grade levels with some asynchronous independent learning time available to students.
York 4	Full Time	K-12	Yes	Full time program serving grades K-12. Synchronous instruction provided at all grade levels with some asynchronous independent learning time available to students.
