**RE:** 2024 State Assessment Result Release Schedule

The chart below outlines district and public release dates for statewide assessments administered in the 2023–24 school year. Please note that AP, SAT, and ACT report release dates are set by the testing vendors.

On the date of each assessment’s district release, you will receive embargoed links to the assessment data. Please feel free to share summary data with district and school staff members who understand that this is not to be shared publicly until after the official statewide release. The embargo extends to local school board meetings because data presented to a local board becomes public information under the South Carolina Freedom of Information Act. Please ensure that staff members understand that embargoed information cannot be shared with members of the news media or on social media.

If you have any questions or concerns regarding these assessments or the release schedule, please contact [DPhillips@ed.sc.gov](mailto:DPhillips@ed.sc.gov) or 803-734-0782.
