RE: 2025-26 Stronger Connections Subgrant Opportunity

The South Carolina Department of Education (SCDE) announces that the Request for Proposals (RFP) for the Stronger Connections Discretionary Subgrant is now available online. Approximately \$5,500,000 in funding will be distributed on a competitive basis and the deadline to apply is June 13, 2025.

The purpose of the Stronger Connections Subgrant Program is to provide students with safer and healthier learning environments and fund activities allowable under [section 4108 of the Elementary and Secondary Education Act \(ESEA\)](#). Subgrant funds must be used to develop, implement, and evaluate comprehensive programs within high need LEAs.

Eligible applicants are South Carolina Local Education Agencies (LEAs) that demonstrate a high need as identified by 1) a high percentage of students living in poverty (40 percent or higher) and 2) either a high rate of bullying/harassment, a high rate of chronic absenteeism, or a high rate of exclusionary discipline. See the RFP for a list of eligible LEAs.

The SCDE's Office of Student Support (OSS) will offer a pre-application technical assistance webinar via [Microsoft Teams](#) on May 21, 2025, from 10:00 a.m. until 12:00 p.m. Participants will be able to log in 15 minutes prior to the start of the session to test their equipment's audio settings. While participation is not mandatory in order to submit an application, it is highly recommended.

Visit the [SCDE Grant Opportunities](#) page for updated information on grants, eligibility, application deadlines, and technical assistance.
