RE: Fall 2025 Regional Support

The Office of Leadership Effectiveness would like to invite you to the **Fall 2025 Regional Subgroup Support Sessions**. Multiple state offices have planned collaboratively to provide your district and schools with specialized professional learning to include the following:

- MTSS Structures and Tools for Success
- Aligning IEP Goals to Standards
- Fostering Collaborative Planning Structures
- Connecting Subgroup Goals to the SLO Process

ALL schools are invited; however, schools with an ATSI (Additional Targeted Support and Improvement) designation are strongly encouraged to attend. The content will change slightly each month to fit the needs of the audience:

- September: School Teams
- October: Coaches and Lead Teachers

This professional learning is best received when school teams of at least two are in attendance each month. The day will begin at 9:00am and end at 1:00pm. Lunch will be provided.
